sell as well, or give such universal satisfac-

Harper's Bazar.

ILLUSTRATED.
"Harper's Bazar" will continue to maintain its
reputation as an unequalled family journal. Its art il-
lustrations are of the highest order, its literature is of
the choicest kind, and its fashion and household de-
partments of the most practical and economical char-
acter. Its pattern-sheet supplements and fashion
plates alone will save its readers ten times the cost of
subscription, and its articles on decorative art, social
etiquette, house-keeping, cookery, etc., make it in-
dispensable to every household. Its bright short
stories, and timely essays, are among the best pub-
lished; and not a line is admitted to its columns that
could offend the most fastidious taste. Among the at-
tractions of the new volume will be serial stories by
Mrs. Frances Hodgson Burnett, Mrs. Alexander, Wil-
liam Black and Thomas Hardy, and a series of papers
on nursery management by Mrs. Christine Terhune
Herrick.

Highland, Clackamas Co., Or., March 20
I have suffered with a disease of the kid-
neys for 6 or 7 years and for the last two
months have been laid up with a pain in my
back. A friend sent me a sample of the Ore-
gon Kidney Tea, and having used it one
week I can do a good day's work. I have
derived more benefit from it than from all
the medicines I have ever taken.

WALLA WALLA, Jan. 2.—There will be a
mass meeting of the citizens of the northern half
