Looks Like War.

PARIS, Jan. 25.—A dispatch to the Temps from Zanzibar says: An American sailing vessel, bound from Zanzibar to Madagascar was fired on by a German vessel. One of her masts was broken.

LONDON, Jan. 25.—Lord Salisbury had a long interview to-day with Count von Hatzfeld, German ambassador. Germany's views of the Samoan muddle and the Zanzibar question causes distrust in admirably circles. Mysterious silence is maintained regarding her naval reinforcements. It is stated at the foreign office that America means business, and that American naval officers in Samoa express confidence in their ability to hold their own.

An Editor Shot At.

CHICO, Cal., Jan. 25.—H. H. Frye, a photographer here, was arrested last evening for being drunk on the streets and using abusive language in the presence of ladies. He was fined by the police judge, and the affair was published in the Morning Chronicle.

As soon as Frye was released, he armed himself, went to the Chronicle office and attempted to shoot A. J. Brown, one of the proprietors of the paper. He was arrested on the charge of assault with a deadly weapon. He threatens to kill the proprietor of the paper on sight.

NEW YORK, Jan. 25.—A special cable from Havana, Cuba, says: A great sea monster has appeared near Matanzas. The persons who saw him calculated that he measured about 150 feet in length by forty feet wide. He was dark gray in color, with white spots the size of dinner plates all over his back. His immense head, fins and tail are identical with those of a shark. The strange creature was roaming around the entrance to Matanzas bay for three days, and was the terror of fishermen. It is supposed to be the great tiger shark seen several years ago in the Indian ocean.

Corrupt Councilmen.

DENVER, Jan. 25.—Charges of bribery and corruption against members of the city council and the board of aldermen have been published in the daily papers of this city, and an unusual amount of excitement has been created over the alleged exposure. The charges are made by well known citizens, and it is claimed that the aldermen have been repeatedly paid from \$200 to \$300 each for their assistance in securing the granting of liquor licenses.

A Gun Accident.

HILLSBORO, Oregon, Jan. 15.—William Johnson, son of A. H. Johnson, wholesale butcher of Portland while trying to discharge a loaded gun that refused to go off, suddenly received the whole charge in the side of the head, killing him instantly. He lived near Reelville, and leaves a wife and several children.

An Earth Quake.

DENVER, Col., Jan. 25.—Information has just been received from Routt, Colorado, that that portion of the state has been treated to a genuine earthquake. The shocks commenced on the afternoon of the 15th instant, and at 4 o'clock they were very violent. One of them rocked small buildings, detached large masses of rock from the mountains and greatly frightened the people, and animals; cattle especially were terrified, and ran frantically back and forth. Thunder preceded the shocks, but there was no rain.
