The Canada blizzard was disastrous enough, surely; but the worst thing about it was its coming at about the time Wiggins had set for such a visitation. It was a terrible blow in more senses than one, but it did not last long, while the way Wiggins blows beats the blizzard out of sight.

TELEGRAPHIC NEWS

A Collision.

SAN FRANCISCO, Jan. 30.—The bark Enoch Talbot, from Port Townsend, this evening collided with the bark Oregon, which was anchored off Alcatraz island. The Talbot was sailing up the bay and the wind died down, leaving her to drift in on a flood tide. Part of the mizzen rigging of the Talbot was carried away, but the Oregon received only slight damage.

Tumbled into the Bay.

SAN FRANCISCO, Jan. 30.—Eight freight cars on the sea wall track ran over the trestle into the bay at Washington street wharf last evening. Fred Smith was the engineer and George Wilbert was the brakeman on the car, which was of course, the first to dump its load into the bay. This was done safely and as soon as the car had been righted and backed Brakeman Larder on the next car tumbled his load. The rocks were large and heavy and their weight carried Larder's car over, the remainder of the train going with it. Wilbert and Larder were soaked and badly bruised, but were not seriously injured. Three other men had ducking.

Indignant.

PESTH, Jan. 30.—A portion of the populace is still greatly incensed at the passage of the army bill. A great crowd gathered outside the parliament buildings to-day and endeavored to prevent the deputies from entering the chamber. The hussars were compelled to charge upon the crowd. Several persons were hurt, including some women and children.

A Prohibitory Amendment.

HARRISBURG, Pa., Jan. 30.—A resolution providing for the submission to the people of a prohibitory amendment has passed the legislature and gone to the governor.

Postmasters Appointed.

WASHINGTON, Jan. 30.—D. C. Noyer, postmaster at Molalla, Clackamas county, Oregon, has resigned, and James A. Rundle has been appointed in his place.

A postoffice has been established at Liberty, Crook county, Oregon, and James M. Mansfield has been appointed postmaster.

A postoffice has been established at Ajax, Gilliam county, Oregon, and Arabella Thrasher has been appointed postmistress.

Assassinated.

PLUMMERSVILLE, Ark., Jan. 30.—The assassination of Hon. John M. Clayton occurred at 9 o'clock last night at his boarding house. After walking the floor nervously, Clayton stopped to a window when an unknown person outside fired a load of buckshot through the window into his neck, breaking it, killing him instantly.

Bad Boys.

ITHACA, N. Y., Jan. 30.—When it was announced that the freshmen had invited the lady students met to their class banquet, fifty male students met and decided to boycott the banquet. To-day the freshmen's president stated that the invitation to the "co-ed" would be withdrawn if it would insure the attendance of all the gentlemen. Accordingly the freshmen class will have no women, but will probably have wine at its banquet.
