The county teachers' institute convened in this city Wednesday evening, at the opera house, with a good attendance of teachers from the county at large.

Miss Kate Price, of the Albany public schools, delivered the address of welcome, a thoughtful well worded effort.

Mr J J Gilbert, of Lewisville, Indiana has been in this city for several days looking over the country. He is very favorably impressed with the country and Albany in particular. He is just able to be out to-day.
