THE MAN ABOUT TOWN
 Sometimes the mighty fall though not endowed with life. The old bank counter that stood for so many years in the First National Bank building, the Man About Town is informed is soon to appear in an entirely different field. Hereafter the money going over it instead of being placed to the depositors credit will simply pay for the drinks in an Albany saloon.
 Good sewerage and pure water are among the greatest questions that agitate any city, and are matters that should be continually investigated in Albany as well as in other cities. In large cities there are regular Boards of Health who inquire into all kinds of drinking water. It would be a proper thing, besides other investigation, to secure a good analysis of both the well and hydrant water in Albany, both that coming from the Calipoola and from the Santiam.

TEMPERANCE COLUMN.
 Edited by Albany W. C. T. U.
PRAY WITHOUT CEASING.
 Unanswered yet, the prayer your lips have pleaded,
 In agony of heart these many years?
 Does faith begin to fail, is hope declining,
 And think you all in vain those falling tears?
 Say not the Father has not heard your prayer—
 You shall have your desire sometime, somewhere.
 Unanswered yet? Nay, do not say unanswered—
 Perhaps your part is not yet wholly done;
 The work began when first your prayer was uttered,
 And God will finish what He has begun;
 Keep increase burning at the shrine of prayer,
 And glory shall descend sometime, somewhere.
 The seventh annual convention of the Woman's Christian Temperance Union of Oregon will be held in Salem, May 8th, 9th and 10th. Local Supt's of departments should forward their reports immediately to their respective State Superintendents. Good programs for the evening sessions, will be arranged and it is hoped to make this the most interesting annual meeting ever held.
 The greatest convention ever held in Dakota of any kind was the Non-Partisan Prohibition Constitutional Convention, which closed the 14th inst. It was held at Huron, the capital of South Dakota, and was represented by all parties, to the number of 800 delegates. Every church denomination was represented, including the Catholic. Every presiding elder of the Methodist Church in South Dakota was present, and most of the preachers were also there to say amen to adopting the Sioux Falls Constitution, and carrying prohibition in October by a majority that will astonish everybody. When pledges for carrying on this work were called for they fairly rained down upon the chairman so thick and fast did they come that the scene was dubbed a Dakota "blizzard." \$8,280 being raised in a short space of time.
 A young Californian recently gave a wine supper to seventeen society men at Topeka, Kan., at which nearly 100 bottles of wine were used. The white ribbons took up the matter and the guests were astonished on being summoned before the grand jury which was in session at the time. The host left the city, but a requisition has been taken out for him in case he is wanted.

LOCAL RECORD.
 A BURGLAR.—Last evening shortly before 11 o'clock, W McLaughlin, the tailor discovered a burglar in the City Meat Market adjoining his tailor shop, and notified Nightwatch Miller and Marshal Hoffman, who captured the man in the act of opening the money drawer. He was placed in the county jail and afterwards held to await the action of the grand jury under \$500 bonds, which will keep him at the Hotel de Smallmon until the June term of circuit court. The same evening some one entered the meat market of Mr Dierenger and extracted 75 cents from the till, leaving the box on the floor, probably the same man. In both cases the front door was pried open. The man gave his name as John Wilson, and probably belonged to the tramp family.
 Y. M. C. A. ELECTION.—The directors of the newly organized Y M C A met last evening and elected the following officers: W H Lee, president; M O Brink, vice president; C D Woodworth, secretary; E F Sox, treasurer. Committees were appointed for various departments of work, and it was decided to begin holding gospel meetings Sabbath afternoons at 4 o'clock. The monthly business meeting will be held the second Friday. Arrangements are being made for a permanent hall, and it is proposed to place the association on a good foundation.
 EASTERN PRICES.—A circus with eastern prices is a novelty in Oregon. Such was Mc Mahon & Farini's. 50 cents for adults, 25 cents for children, 10 cents for child show and 10 cents for reserved seats. The entertainment was good and contained several fine features, well carried out notwithstanding a big Webfoot shower that penetrated even the heavy canvas. The clown was considerably more prominent than in the recent three ring affairs and obtained somewhat of the old time recognition of his ability and power as a joker. "Come again."

The circus has gone but the small boy is here and the show will be continued by the Tom Sawyers and Huckleberry Finns, of the city, and even the girls are a little more reckless than ordinarily.
 A Pomeroy, W. T. paper says that all the best horses will be advertised in its columns. The only horse ad. in the paper is that of a mule. Curious country that.
 Two gentlemen from Tacoma and Spokane Falls have been in the city, both old and popular citizens here. It is worth a jackknife to hear them tell about how dull it seemed in Portland on their way here, and Albany, well, it almost puts them asleep to walk along our streets.
 NEW FOUNDATIONS.—The Corvallis Gazette says: "George Waggoner is having his residence moved back a few feet on his lot and a new foundation being placed underneath." It might also be remarked that Judge Boise, of this city, was engaged one day this week putting a new and more substantial foundation under George's seat on the railroad commission, which will cause him to sit easier for the next two years. Thus, he is getting a solid foundation all around.—Statesman.
 JUST RECEIVED.—F L Kenton has just received by last steamer a good supply of very fine California full cream cheese which will be sold cheap. Also received a new barrel of choice mixed pickles. He keeps a first-class stock of groceries and confectionery, and when in need of anything in his line you will do well to give him a call.
 RESULTS OF WAR.—A war with Germany would increase the value of the Oregon wheat crop, but it would not increase the price of millinery at the new store of Mrs Marie Davis & Co. These ladies are doing a remarkable business at remarkable prices. Call and see the new styles and latest novelties. Everything new and of latest design.
 A FLAG.—Arrangements are being made to buy a fine flag for the school house, to be presented with ceremonies on the inauguration centennial, April 30th, when it will be unfurled.
 PREMIUM SAVON.—F L Kenton has just received another large shipment of Premium Savon soap direct from the factory. This soap is put up especially for Mr Kenton and is warranted to give satisfaction. It is now being sold at \$1 per box.
 BABIES.—The finest line of baby carriages in the Valley just received at Stewart & Sox's. Prices are remarkably cheap considering the superior quality of the carriages.
 ELECTED.—6000 rolls of wall paper in an immense number of patterns at Fortmiller & Irving's, the finest line in the central Willamette Valley. It is an art gallery to see it all.
 SALMON.—A nice lot of fresh Chinook salmon received daily at Schultz Bros., City Market.
 WEATHER INDICATIONS.—For the 13 hours beginning at 12 o'clock, noon.
 Rain, lower temperature.
 SUMMER WRAPS.—Novelties in beaded and stockinet jackets just received.

YAKUINA BAY.—During the past few days men and boys have caught many barrels of fine herring from the wharves. The fish gather very thick around the piles and deposit their spawn. It is no trick at all to catch, with a dip net a bucket full of them in a few moments....Next year Mr Case will build a three story addition, 30x65, to the Ocean House and furnish it with all the modern conveniences....The first circus on Yaquina Bay gave exhibitions on Tuesday and Wednesday at Yaquina City.—Republican.
 A GOOD SIGN.—The Astoria Pioneer gets off the following good thing, which we have seen in nearly all our exchanges: "The man who wouldn't take a newspaper was in town the other day. Among the other indications of being behind the times, we noticed that he set his watch by the sign in front of the jewelry store, wiped his nose on a bolt of calico hanging in front of a store, stopped at a bank to inquire the price of lumber and paid twenty-five cents a drug clerk for an almanac."
 LEBANON.—Dr E R Barker has been appointed deputy recorder of Linn county, and the North Santiam and Quartzville district....J P Hall, of Albany, was on our streets Wednesday, working in the interior of the Columbia bicycle....Thos Parkers expects to leave here next week to engage in the livery business at Albany. Johnson's loss is Albany's gain....Mrs Stubblefield, of Walla Walla, W T, is visiting her father's family and friends here.—Express.
 BROKEN.—Last Thursday evening, while riding near Sand Ridge, the team driven by Charlie Bardwell, a son of Bardwell, ran away, throwing the boy from the ground, resulting in one of his legs being broken, the bone protruding out of the flesh so severe was the fracture. He was also considerably bruised in other respects.
 VALUABLE HORSE KILLED.—Several days ago Mr Alfred Wheeler's fine trotting horse, from Oneco, while in his stables on the farm, was kicked in the region of the eye by a frisky filly separated from him by a pole, and died shortly afterwards. Wheeler had awhile previous to the accident refused \$250 for the horse.
 OPENING DAYS.—Of latest spring styles 1889. Friday, April 12th and following days, at E. and C. Howard's, Albany, Oregon, stairs to the left over J J Dubrulle's dress shop.
