Here is an opportunity for the farmers of Linn county to get the service of the only French coach horse ever brought to Oregon. He was imported from France by Theo. Skillman and by him brought to this State. The French coach horse has been attracting great attention throughout the Eastern States the past few years and are being imported from France in great numbers. Vindicator is a fine representative of this famous breed of horses, standing 17 1/2 hands high and weighing 1500 lbs. He has taken premiums over Cleveland days wherever shown. This stallion represents the general purpose now so much needed here. He will be allowed mares at \$20, to insure a mare in foal. Keep your eye on his dates. McKnight Bros., Prop's. W. C. TIN WARE AND HARDWARE OF ALL KINDS AT DEYO & ROBSON

The demand by the United States Attorney General on District Attorney Pillow of Tennessee that he should resign his office "for public reason" was refused by Mr. Pillow unless the nature of the "public reasons" were given him. His answer was that if the reasons were public, they must be publicly given. If he is called on as a Democrat to resign in order that a Republican may be appointed in his place, Mr. Pillow says that he is ready to do so; but he will not resign in the face of any charge or imputation affecting his official character, which places the Attorney-General in the position of having made a direct issue with the civil service law.

Assistant Postmaster General Clarkson appointed 2329 postmasters in the first three weeks of this administration. Quite a number of these were old soldiers, removed because they were democrats to make place for civilian republicans. And all this in the face of Harrison's campaign promise that fitness only should rule in making appointments, and that removals should not be made simply on account of politics. Civil service reform will have a hard row to hoe during this administration.

SUPERIOR LINES OF AGRICULTURAL IMPLEMENTS AT DEYO & ROBSON

TELEGRAPHIC NEWS

A Big Crowd.

CHICAGO, April 30.—One hundred thousand men, women and children were crowded about the big lake-front to-night to witness a pyrotechnic display. Fifty people are known to have been hurt, a number perhaps fatally. Many others suffered painful injury. The people were massed into dense crowds, as solid as the stone walls of the auditorium against which they were hurled when the first strong glow of excitement broke the great crowd into scores of tremendous crushes and stampedes. Under the glare of fireworks the faces of thousands of women with white and pleading faces could be seen and the shrieks of children, crushed under foot, could be plainly heard above the booming of big bombs and the cheers of the unaffected parts of the vast assembly.

An Old Oregon Engine.

SAN FRANCISCO, April 30.—One of the most touching incidents of the day was the return to its old home of the Monumental engine of the Volunteer fire department. After the parade the old veterans turned back to their headquarters, dragging along with them the old engine sold to Virginia City in 1865. The old Monumental, or "Big Six," as it was generally called was bought by the Volunteers in 1854, and eleven years later it was sold to Virginia City for \$4000. Later it was bought by the Volunteer department at Corvallis, Or., for \$2000, and there it remained until last October, when it was bought back by the exempts.

A Sample.

SPOKANE FALLS, W. T., April 30.—The fight between Dong Tonsley, the champion middle weight of Minnesota, and Tow Stockley the champion middle-weight of Washington, came off to-night. At the end of the 15th round the fight was declared a draw. The audience was disgusted, and the squabble resulted in a match to a finish with skin gloves for a purse of \$500.

A Tragedy.

SOMERSET, Pa., April 30.—Jacob Shaw, a wealthy farmer, aged 60, was found dead hanging to a tree back of his residence this morning. Lying in the barn was his young wife, aged 25, fatally wounded, having been shot through the body. It is supposed the man committed suicide, and that his two sons, to prevent their step mother from inheriting the estate, shot her. Both boys have been arrested.

Barnum Dead.

NEW HAVEN, Conn., April 30.—Hon. William H. Barnum, chairman of the national democratic committee, died at Lime Rock at 9:45 a. m. to-day. Barnum had been confined to his bed for two or three days and for the past forty-eight hours death had been expected momentarily. He had been very feeble ever since his sickness during the campaign. He was then taken sick in New York, and for two weeks it was thought that he could not recover. He had been able to ride out for several weeks past up to Friday; although very feeble, he was thought to be on the road to recovery.

The best family remedy is undoubtedly Plunder's Oregon Blood Purifier. It may be safely given to the infant as well as the adult, and it will give relief where other medicines failed to do so. Keep it in the house.

SEAL ROCK VIEW.—This fine property located eight miles from Newport near the famous Seal Rocks, is very popular and is going rapidly. Chas Metzger & Co of this city, have the exclusive agency for several nicely located lots. 60x125 feet, \$50 a lot, payable in five monthly installments without interest, make them a bargain. Call early and see plat.

Many young ladies are ruining their complexion by the continued use of poisonous cosmetics and so called face washes. The greater number of these preparations contain mercurial poisons, that in time, shroud up the skin and give the appearance of discoloration and old age. Dandard's Specific is not a paint but a great beautifier, in as much as it removes all blemishes from the skin, instead of covering them. It cures chapped hands with one application. Sold by Foshay & Mason.

If you ever have pains in the back and if you do, attend to them now, don't delay as dangerous. Nip the disease in bud and save your health and doctor's A few doses will prevent Bright's disease and insure you health, comfort and happiness. Sold by Foshay & Mason.
