It is estimated that about 89,000 persons
are employed by the Pennsylvania railroad
company and subordinate corporations. What
wonder can there be at the enormous political
power that such an organization owns and
exerts in the monopoly ridden state of Pennsylv-
ania?

Edison, the prince of inventors, has on ex-
hibition at the Paris Exposition, 493 of his own
inventions. There is no man living, and no
man who ever lived, that has contributed so
much of varied inventiveness as Edison.

TELEGRAPHIC NEWS

The Seattle Fire.

SEATTLE, W. T., June 6.—A tempest of
flames to-day visited Seattle, and swept away
the entire business portion of the city, causing a
loss of millions of dollars, and rendering penni-
less and homeless hundreds of people.

The flames burst forth in a wooden building
on Madison and Front streets, and spread with
such resistless fury that now stands but a
single large business house in the whole busi-
ness part of the city.

The magnificent Occidental hotel, the San
Francisco store, Union block, Post block,
Yeiser and Leary blocks, the Post block, the
building, and indeed the whole line of business
buildings bounded by Seneca street to the
north.

The burnt district covers sixty-four acres of
ground, and comprises thirty-two solid blocks
of business houses. The distance covered is
fully one mile and a half.

The northern boundary is at University street
on Front, and from the water's edge south to
the mud flats wharving. In this district, from
four to ten blocks, wide, there is not a single
business house left. The eastern boundary is
the west side of Second street to James.

The principal business blocks were Frye's
opera house, the San Francisco store, the Gil-
more block, Harms & Dickmann, the Den-
ny block, the Coleman block, the Poncin block,
Starr Union, Butler, Yeiser and Leary blocks,
the Post-Intelligencer, the Occidental hotel,
the Arlington, the Brunswick, the Safe Deposit
building, the Merchants National bank build-
ing, the city hall and the rest of the business
blocks.

The losses in everything are variously esti-
mated now at from \$15,000,000 to \$20,000,000.

Probably 12,000.

JOHNSTOWN, June 6.—A doubt has been ex-
pressed as to the estimate that from 12,000 to
15,000 persons were lost in the flooded districts.

Of course there is no way of determining with
any degree of exactitude, but the guessing is
reasonable and conservative, based on close
figuring. At least 2500 bodies have been found
2000, at the lowest calculation, are in the burned
debris in the river and 3000 are in the unsearched
sand banks around the Cambria works, down
along the river and in the lower part of John-
stown. From 1000 to 2000 are scattered in the
valley from Woodville to the bridge, and 1000
or 2000 are below the bridge between John-
stown and Bellville. Hundreds were carried
down the river in a tremendous current and
may never come into the hands of the living.

If you are nervous or irritable, feel languid,
dispirited, or if you have sick headache, sal-
low complexion, or offensive breath, then your
liver is out of order and needs toning. Dr.
Henley's Dandelion Tonic restores the liver to
healthy action and tones up the entire sys-
tem. Sold by Foshy & Mason.

Not one person in fifty arrives at the age
of forty, who is not troubled with kidney or
urinary complaints in some form. To those
afflicted with pain in the back, retention of
urine, nervous debility, painful or sup-
pressed menstruation, we can offer a remedy
that has been in constant use over twenty
years, Oregon Kidney Tea. This preparation
has done more for suffering humanity than
any other medicine in the market. Sold by
Foshy & Mason.

Do not wait until to-morrow, when you
feel sick, but take immediately a dose of
Foshy's Oregon Blood Purifier and prevent a
serious attack of sickness. It is the best
liver regulator and blood cleanser in exis-
tence. Try it.

A gentleman who had suffered great annoy-
ance and pain from barbers itch, and who had
been treated by the best physicians, without
relief, says that two bottles of Dutard's
Syrup cured him and left his face perfectly
smooth, without a scar. It never fails in skin
diseases. Sold by Foshy & Mason.

CURE FOR NICK HEADACHE.

Do you want a remedy for Biliousness, Pimples on
the face, and a sure cure for sick headache, ask Dr.
Galt and Son, the Druggists, for Dr. Galt's Live
Pills, try a dose, samples free. Full box 25 cents.

A dry, hacking cough keeps the bronchial
tubes in a state of constant irritation, which,
if not speedily removed, may lead to bron-
chitis. No prompter remedy can be had than
Ayer's Cherry Pectoral, which is both an
excellent and effective.

Wright's Anodyne Horse Lament, an in-
valuable remedy for sprains, bruises, lameness
and all affections of the skin, muscles and
joints, to which horses and cattle are sub-
ject. Sold by Foshy & Mason.
