LOCAL RECORD.

THE A. E. L. P. & T. Co.—Yesterday articles were filed with the county clerk and secretary of state incorporating the Albany Electric Light, Power & Telephone Company, with N. H. Allen, D. P. Mason and George E. Chamberlain as incorporators. The capital stock is placed at \$30,000, all of which has been taken. The present plant will be doubled, making it one of the best in the northwest. New and better machinery will be secured with all the latest improvements, so as to meet the greatly increasing demands of the city. The matter of electricity for power will be developed and the works be made more efficient generally. Mr. Goff will continue to superintend the mechanical part, and as well as considerable stock in the company. Our electric lights are already the best in Oregon outside of Portland and perhaps Salem, and this change will add to their already good standing.

WHO OWNS IT.—The reported sale of the Narrow Gauge system to the Southern Pacific turns out to have been a mistake. The S. P. had in a bid, so also had the Oregon Pacific and it is believed that the latter company will be the successful bidder and that the line will be changed to go through Clackamas county on the old Pennington route to East Portland, thus being made a part of another great transcontinental route.—Silverton Appeal. All the same the S. P. keeps right along owning it.

SOME OTHER BOY.—Bert Scott says that was not true about his killing a Chinese pheasant and having a man try to see it. He doesn't kill Chinese pheasants. This takes the wind out of our item. It must have been some other fellow who did it, and it is just the way we would do in a like case, and all the city nincompoops say they wouldn't allow any man to look inside their game bag. Whoever the boy was he showed lots of "sand."

DECIDED.—There has been considerable study over the city's cistern at the St. Charles corner, it being decidedly in the way of the street railway. How to lower it and cover it was the question. An old citizen finally decided the question by advising the putting of an injunction on it, as injunctions are fashionable.

LOOKS FINE.—While up the Santiam recently Mr. Joseph Webber secured some very fine looking stone, which if it possesses the quality, would work up into some very handsome monuments. As its quality has not yet been tested its value is to be determined. A marble quarry for Linn county is in order.

CURIOUS PROCEEDINGS.—In the Hawkins murder trial yesterday at Salem Judge Boise after hearing the arguments discharged the jury until this morning when he made his charge to them. This was a very rare proceeding for a murder case, the jury almost universally being kept together.

PRIVATE SALE OF HOUSEHOLD GOODS.—Mrs. W. B. Rice offers at private sale her entire lot of household goods, consisting of two chamber sets, kitchen furniture, carpets, stoves, etc. The goods are in care of Mrs. C. J. Stuart.

HAY WANTED.—Mr. L. Senders, of this city will buy all the clean timothy hay brought to him in tightly compressed bales, for which the market price in cash will be paid. Deliver at stables.

SOCIAL AND PERSONAL.

Mrs. Jos. Webber, Jr., of Portland, is in the city.

Mr. A. Klein went to Eugene last evening on business.

Mr. Reason McConnell and family leave tomorrow for a trip to the Coast range.

Mr. James Ekins and family leave tomorrow morning for their Beaver Creek farm.

The family of W. H. Garrett left for Ilwaco to day for the usual summer outing.

H. W. Langdon, the foot racer, probably the fastest now in the state, is in the city.

Mrs. W. R. Blyen left this noon for Lake county where she goes on a two weeks' visit to her father.

The engagement of Leo I. Stock, of Corvallis, and Miss Corrie Korn, of Seattle, has been made public.

Win Fortmiller, wife and child, went to Yaquina Bay this noon, the latter to be gone during the summer. They will be a part of Rev. Prichard's party.

Prof. W. returned this noon from Olympia, W. I., where he has been on a visit to his parents. He returned with a good constitution; but not the new one, yet to be built.

Mrs. R. A. Irvine, Mr. E. L. Thompson, wife and child, of this city, and Mr. A. B. Slauson and wife, of Portland, left this noon on a ten days trip to Yaquina Bay. The fish and clams are warned to look out.

Mrs. Murry and son, of Oakland, Cal., are in the city on their way home from Alaska, where they have been spending several months. Mrs. Murry is a sister of Mr. Frank Wood, whose guest she is while in the city.

A CORVALLIS PARTY.—Last evening Miss Maud Hoffman gave a very pleasant party at her parents' residence, in honor of her guest, Miss Flora Mason, of Albany. The gloaming was beautiful, and the walk down to the Hoffman residence seemed to put good humor into the gathering. The evening was spent in social converse, music and refreshments—three ingredients that if properly compounded would tickle the taste of the most fastidious mind or appetite. The mixture last evening must have been well made, for a more jovial crowd seldom gathered together. Everyone seemed to have on a fantastic freak, and the moments glided by unheeded until after midnight, when the guests departed with a willing vote for a pleasant evening. Those present were: Misses Flora Mason, Jennie George, Vesta Mason, Messrs Baldwin and G. H. Keeney, of Albany, and nineteen Corvallis young people.—Times.

THE REASON.—The Coast Review, the coast insurance organ, estimates the losses of the insurance companies by the Ellensburg fire at \$275,015. It is reasonable to suppose that the coast insurance companies will not pay large dividends this year.—Portland Evening Telegram. There is a "coast" company in Salem that is not included in this list. The reasons are obvious.—Statesman. The reasons are simply that it had no risks there. Companies like foreign companies, doing a general business, did have, of course. It is to a company's credit that it loses something in such a big fire.

PUT OUR FEET IN IT.—A new law provides for the publication of all county warrants in county clerk's offices for seven years or over and their cancellation within a certain time. In most counties the list is large; but in Linn county there are none. Here is the cause: The DEMOCRAT last year, before it dreamed of such a law, spoiled a good fee by publishing once as a news item the old warrants here, nearly a hundred, and owing to our big circulation, all were claimed and paid.

A BEATEN EDITOR.—Mays of the Pomeroy Independent who recently ran for the office of mayor, got beaten, like most editors who run for office, and this is the way he gets a grain of comfort from it: "The editor hereof is proud of the fact that none of the Pomeroy ring voted for him for mayor. Men of broad, liberal views are the ones who gave us their suffrage. Thanks to you, gentlemen."

DIFFERENT TOWNS.—Albany, a town not as large as The Dalles, has three good fire engines and an active hook and ladder company. The Dalles has one engine and no hook and ladder company.—Times-Mountaineer. And none too many. One engine would make a poor showing in The Dalles in case of a big fire.

B. & L. ASSOCIATION.—The regular monthly meeting of the Building and Loan Association will be held on Friday evening at the office of Hewitt, Bryant & Irvine. Pay your dues on Friday to the Secretary at the office of Stewart & Sox's.

DOG TAXES.—Dog tax season. Some one suggests that the thirty show dogs in the city be taxed unless a receipt be shown, as Albany might as well get the fee as any city. While on the subject of the dogs of the city—all of them—should be brought to time on the question.

WILL COLLECT.—Owing to unavoidable circumstances I did not collect water bills on the 10th-13th of this month as advertised, but I will be round collecting the first of next month. Let every one be prepared to meet my call.

A. L. GRAY,
Sec'y Water Co.

VERY NICE.—Don't cook this hot weather. Drop in and get some of our lunch delicacies. We have just received a fresh supply of cream cheese, Limburger cheese, smoked beef chopped to order, etc.

WILLAMETTE PACKING CO.

OFF FOR THE MOUNTAINS.—A barrel of dried beef, some fine cheese and a large invoice of choice lunch goods just received at Brownell & Stander's. Get some.

A SHARP ITEM.—The finest line of cutlery and shears in the city at Stewart & Sox's. Their goods are the very best and will stand the test.

BIGGEST YET.—10,000 rolls of wall paper, latest varieties, finest decorations just received at Fortmiller & Irving's.

In London a strange coincidence occurred a few days ago. Three gentlemen, each the son of a president, met at the United States legation. Two of them called upon Minister Lincoln, son of President Lincoln. The visitors were Jesse, son of President Grant, and Russell, son of President Harrison.

Don't fail to examine Mellin's carboys. You will find them from 10 to 15 per cent cheaper than any other place in town, taking no consideration on the quality.

F. L. Kenton has a supply of fine mixed pickles put up in pure cider vinegar. Try them.

Mellin can give you the best fitting suit you ever wore, at prices to suit each and every one.

THE MAN ABOUT TOWN.

The coming State fair promises to be a big one.

Sixty Nebraska editors have arrived in Portland.

The property at Waiteburg, W. T., is assessed at \$276,950.

Some counterfeit fifty cent pieces are said to be in circulation.

A fine marble quarry has been discovered near Roseburg that promises some fine results.

A cow in the city pound costs the owner \$2.50 and \$1 a day. An inducement certainly to keep them out.

B. F. Underwood and W. S. Bell, the two leading infidel lecturers of the east, now that Ingerson has retired, are lecturing through Oregon.

Farmers desiring agricultural implements of any kind, wagons, buggies, etc., should call on the Mitchell & Lewis Co., opposite Schmeer's three stable.

A couple horses were recently killed at the state penitentiary, causing plenty of speculation as to the manner of their death.

Poul play was declared to be the cause. A man who knows informs the DEMOCRAT that they were gored by some cattle.

Ayer's Hair Vigor has long held the first place, as a hair dressing, in the estimation of the public. Ladies find that this preparation gives a beautiful gloss to the hair, and gentlemen use it to prevent baldness and cure humors in the scalp.

The Thea Kay Woolen Mill Co. is the name of the new woolen mill company at Salem and the capital stock has been placed at \$50,000. Besides raising the \$20,000 bonus the books are open for subscribers.

Woolen mill stock, though, is good property. Words cannot express the gratitude which people feel for the benefit done them by the use of Ayer's Sarsaparilla. Long standing cases of rheumatism yield to this remedy, when all others fail to give relief. This medicine thoroughly expels the poison from the blood.
