LOCAL RECORD.

ALL KINDS.—It takes all kinds of people to make up the world, and they are all mixed in together. Don't expect to get along without the mixture either here or elsewhere. The following will be readily recognized as residents of Albany:

Rustlers,
Mossbacks,
Get-up-and-gets,
Kickers,
Streaked lightnings,
Squealers,
Wide awakes,
Sleepers,
Don't knows,
Guess so's,
You bet you's,
I'll be there,
May bes,
One centers,
Don't-care-for-a-dollars,
Put me down's.

HOW TAKEN.—The DEMOCRAT gives all sides of questions when possible. Here is the way a Eugene paper takes a certain writeup, portions of which were copied in the DEMOCRAT: "Not long since there was a man here representing the St Paul Journal of Commerce trying to raise a fund to give this city a write-up in his paper. Our citizens didn't see fit to pay him what he desired but Albany did. Now comes the paper with a highly flavored article for Albany but casting a slur at Eugene. The article simply shows the littleness of this city stinging because they didn't pay him for a worthless write up."

THEIR PARENTS.—A gentleman who knows Mrs. Rolfe, the mother of the two boys in jail for train wrecking, says she is one of the best, purest christian women he ever knew. Sweet home people speak best of the younger of the two boys and think probably the older one was most to blame. Mr Rolfe stands well in his community. Parents are certainly unfortunate to have boys grow up to bring such shame on them, for the crime committed is one that cannot be too severely punished. There is a lesson here for Albany parents who think their boys are doing pretty well.

DIDN'T BETTER THINGS.—Lee and Green Morris who went to Eastern Oregon last year in order to better their condition, have returned to Linn county, re-joining to get back to the land of plenty, where crops never fail. Their Eastern Oregon crops this year were a complete failure, practically, as they only got four or five bushels of wheat to the acre and the hay crop could not be found with a microscope. "Leave well enough alone" is a good motto.

WHAT DO YOU GET.—You read Shakespeare. What do you get out of Shakespeare? All your brain is able to hold it depends upon your brain. Thus soars a well known orator. You buy your groceries of Conn Bros, Albany. What do you get. All you can carry, of the best quality, for the least money. Your pocket-book doesn't have to be large. Try them.

A BIG FOOTING.—The losses to Insurance Companies on the Pacific Coast since June will foot up over \$6,000,000. They lost \$2,830,000 by the Seattle fire, \$600,000 in Vancouver, \$400,000 in Bakersfield, \$400,000 in San Francisco and \$500,000 in Ellensburg, and about \$2,500,000 in Spokane Falls.

GETTING POPULAR.—One of the most popular customs in Albany is that of chicken for the Sunday dinner. The Willamette Packing Co will have some fine chickens Saturday morning. Leave orders before then.

VERY NICE.—Don't cook this hot weather. Drop in and get some of our lunch delicacies. We have just received a fresh supply of cream cheese, Limburger cheese, smoked beef chopped to order, etc.
WILLAMETTE PACKING CO.

BABIES.—The finest line of baby carriages in the Valley just received at Stewart & Sox's. Prices are remarkably cheap considering the superior quality of the carriages.

BIGGEST YET.—10,000 rolls of wall paper, latest varieties, fine decorations just received at Fortmiller & Irving's.

TO NEW COMERS.—We would say that we have no baits to give you, but we do guarantee good values for your money and we kindly solicit your patronage.
BROWNELL & STANARD.

THIS TRADE MARK on a stove means it is the best that experience and skill can contrive. Sold only by G. W. Smith.

Fresh cream cheese just received at F. L. Kenton's.

A NEW AD.—The attention of our readers is called to the new advertisement of W. E. McPherson in this issue. Mr McPherson is a resident of Albany, having invested to a considerable extent here and contemplates selling every foot of property that he now has in the East and replacing it with lands in and around this city, being satisfied, after a tour of almost every state in the Union, and quite a lengthy stay in Southern California and visiting almost every city and town of any importance in Washington Territory and Oregon, that the Willamette Valley and that part of it around Albany especially leads them all. He informs us that a large number of his friends and acquaintances in the East are now making preparations to come to the Willamette Valley and to Albany, to derive the benefits of our fertile lands and delightful climate, and as most of them are well-to-do in this world's affairs, they will be quite an acceptable acquisition to the valley and to Albany in particular.

COMES FROM ASTORIA.—Some people have wondered where all the money comes from used by the insurance companies in paying off risks in the recent big fires. The matter is now settled by an Astoria paper: "The insurance companies will have an opportunity to pay out some of the exorbitant rates charged in Astoria. They have made enough in Astoria the past five years to pay the losses at Spokane and Seattle and have a surplus on hand. Insurance here is ten per cent, taxes four per cent, and money is loaned at eight per cent."

DON'T EXAGGERATE.—Mr. Fagundes should be careful, if he expects to furnish correct reports, to ascertain the truth, and in doing so to take with some grains of allowance the highly colored statements of some local papers. In his last report he says: "The general average (in Umatilla county) will equal former years." This is a gross exaggeration. The yield this year per acre will be but about half what it is ordinarily.—Eugene Oregonian.

BARNEY CAUGHT.—Marshal Hoffman received a dispatch last night from Montague, Cal., stating that a man had been caught answering to the description of Barney Wilson, who attempted to murder Nick Zimmerman here. Another dispatch stated that the man had confessed that he was the Barney Wilson wanted. Marshal Hoffman will leave to-night after Wilson.

INSURE AT ONCE.—Mr. Julius Gradwohl's advice to the people of Albany is to insure at once before it is too late, for the fire fiend is devastating the cities of the N. W. Mr Gradwohl represents seven solid companies, with an aggregate capital of \$76,000,000 and a cash deposit of \$350,000 at Salem. As well as business men, farmers should insure their crops, for they will burn, as a number of cases already testify. Though Mr Gradwohl's companies lost some in Seattle, Vancouver, Ellensburg and Spokane Falls their capital is so great the loss is not felt, and they will continue to place risks and pay losses with their usual promptness, the same as they did after the great Chicago fire, in which their losses were heavy.

IN THE LEAD.—Mr. Julius Gradwohl leads in his business and wishes it understood that he will carry the finest stock of crockery ware in the Valley, receiving his goods from headquarters, and keeping up with the times in all the latest novelties. He has received a fine lot of Wedgwood & Co's Newyacht decorated ware, called ruby ware, handsomest goods in the market. Mr Gradwohl makes crockery a specialty and will meet the demands of the public in any line. Do not send away for goods but give him a call.

GET FIRST CHOICE.—Just received at L. E. Blain's tailoring department a large and elegant line of piece goods for suits and pants, never before equaled in Albany. They embrace the very latest patterns, are in style and will make up, under the skillful workmanship of Mr. Schiffer into the finest suits to be obtained in the Valley. Call early and get choice of patterns.

WHY?—Why do you not go to Waterloo? As a summer resort it is unequalled. Good level ground, good shade, excellent soda water, good hotel accommodations. Board and lodging from \$5.00 to \$7.00 per week to suit customers. Six miles above Lebanon on the Santiam river. I will be at Lebanon every Saturday at arrival of train to convey parties to Waterloo. Good feed stable in connection with hotel.
J. G. Gross,
Proprietor Waterloo Hotel.

GOT IT AGAIN.—What? Why the finest lot of fresh smoked beef in the market. Chopped to order. Also a fine supply of our famous gold medal cream cheese.
WILLAMETTE PACKING CO.

OFF FOR THE MOUNTAINS.—A barrel of fried beef, so fine cheese and a large invoice of choice lunch goods just received at Brownell & Stanard's. Get some.

HOT WEATHER ITEMS.—Keep cool. The finest refrigerators in the market at Stewart & Sox's. Buy one now.
All sizes of ice cream freezers at Stewart & Sox's. Purchase one and manufacture this delicious dish at home.

The attention of those wishing to purchase lumber is called to the advertisement of O. Jennings & Co. in another column. These gentlemen propose to keep a full supply of all kinds of choice lumber and will fill all orders on short notice.

Tabb's & Co's pure Manila twine, best quality, at Stewart & Sox's.

Dr. M. H. Ellis, physician and surgeon Albany, Oregon. Calls made in city or country.

To lessen our stock of canned goods we will sell them at line at remarkably low prices.
BROWNELL & STANARD.

FORCIBLE SPRINKLING.—The Albany water works since the new pumps have been introduced are doing some excellent work in furnishing water for irrigating lawns. A sprinkler in the yard of a Democrat man throws water over a space, the diameter of which is thirty six feet by measurement, and without the assistance of wind. The whirling has a four foot standard.

WE BOW.—The DEMOCRAT makes its profoundest bow to the house of LaForest & Thompson for one of those fine, large, luscious California watermelons, of which they have a large supply. It would contribute to the happiness of every family in town to have one of these fine melons for the Sunday repast.

BEATS ALBANY.—The capital engine was out testing a lot of old hose last evening. They lusted about 15 sections out of 26, leaving only a limited amount of good hose on hand. The test was made at the corner of Trade and Church streets and was witnessed by a number of admiring spectators.—Salem Statesman.

EVERYTHING FULL.—There is not a vacant store in Albany, and, in fact, there are several applicants who cannot be supplied, and others waiting for blocks to be completed before they can begin business. It is the same way with residences.

PHILOSOPHICAL.—A little Baker City girl has figured it out that Sullivan is a very bad man, and when he dies will of course go to the bad place. Then, she says, "he'll whip Satan, and everybody will be glad."

NO OXIDATION THERE.—Albany has given nothing yet to Spokane Falls. Salem gave about \$50,000 to Eugene City about \$800, two of the banks giving \$100 apiece and the other \$50. Not much oxidation of despair to that by a long sight.

FOOT RACES.—Two foot races were run at Newport Tuesday afternoon. One was between Langdon and Williams, the latter winning by about two feet. The other was run by E. G. Cameron, of this city, and Williams, which was decided a tie. Probably all were chuck races.

MONEY TO LOAN.—At a low rate of interest, on good farm property in Linn county, or on best improved city property in Albany. Apply to Blackburn & Wright, Albany, Or.

A SHARP ITEM.—The finest line of cutlery and shears in the city at Stewart & Sox's. Their goods are the very best and will stand the test.

South Albany

Compare the size, location, view and access to and from these lots, and you will be convinced of their merits. Call early and secure a home before the advance in price. Apply to
TWEEDALE & REDFIELD, Agents.
First door south of Post Office.

I have just received a full line of kid gloves branded Our Own. This is a genuine kid glove. I buy direct from importers in New York and consider them the best value of any glove I ever sold for this price. 5 button, 3 rows of stitching, \$1.50 per pair.
S. E. YOUNG.

AT COST.—My entire stock of harness, saddles, etc. Call early. Next to DEMOCRAT office, Albany, Or.
E. L. POWER.

STRUCK OIL.—At \$1.25 per 5 gallon can. Standard oil, at the Willamette Packing Co's store.

Fresh butter and chickens, fresh vegetables, fruits, and sweet potatoes at Bard & Robertson's.

"Nothing to Equal It."

"I have been selling Simmons Liver Regulator for the past six years. My customers pronounce it the best ever used. One of my customers whose health was in a wretched condition from a very bad and stubborn case of dyspepsia, used the Regulator and was completely cured. I am a true myself for torpid liver, caused by close confinement. I find nothing to equal it and highly recommend its use. Respectfully,
C. P. HIBBY, Druggist, Edinburg, Va.
