DYSPEPSIA.
It is that misery experienced when we suddenly become aware that we possess a diabolical arrangement called a stomach. The stomach is the reservoir from which every drop of food and every drop of blood is drawn, and if it is not properly nourished, and if it is not properly regulated, it will cause the whole system to suffer. Among a dozen dyspeptics no two will have the same predominant symptoms. Dyspepsia is a disease of the mind as well as of the body. It is a disease of the stomach, and it is a disease of the liver. It is a disease of the blood, and it is a disease of the nerves. It is a disease of the whole system, and it is a disease of the soul. It is a disease of the body, and it is a disease of the mind. It is a disease of the stomach, and it is a disease of the liver. It is a disease of the blood, and it is a disease of the nerves. It is a disease of the whole system, and it is a disease of the soul.
The underlying cause is in the LIVER,
and one thing more is equally certain, no one will remain a dyspeptic who will
It will correct Acidity of the Stomach, Expel foul gases, Alleviate Irritation, Assist Digestion, and, at the same time
Start the Liver to working, when all other troubles soon disappear.
"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Steiner, of Augusta, she was induced to try Simmons Liver Regulator. I feel grateful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons Liver Regulator and I feel confident health will be restored to all who will be advised."

His stepson, Joseph Morin, found him after supper, when taking care of the stock. He was a good citizen, strictly honest and in comfortable circumstances. "I have been selling Simmons Liver Regulator for the past six years. My customers pronounce it the best ever used. One of my customers whose health was in a wretched condition from a very bad and stubborn case of dyspepsia, used the Regulator and was entirely cured.
