Al Daggett, the politician, who has obtained the government postal card contract, is a short, stocky man, with English side-whiskers and a jovial manner. He claims now that he will make \$100,000 a year for the next eight years.

According to the man who runs the guillotine, Mr Clarkson, there have been 15,000 changes in posto-fices since he took hold of the machine. This is about one hundred per day, and still the crank continues to turn.

If Tanner finds that he cannot get rid of the surplus soon enough he might borrow a hoe from Uncle Jerry Rusk's department with which to scrape the people's money into the eager palms of bogus claimants and hungry agents.

INSURE AT ONCE.—Mr. Julius Gradwohl's advice to the people of Albany is to insure at once before it is too late, for the fire fiend is devastating the cities of the N. W. Mr Gradwohl represents seven solid companies, with an aggregate capital of \$76,000,000 and a cash deposit of \$350,000 at Salem. As well as business men, farmers should insure their crops, for they will burn, as a number of cases already testify. Though Mr Gradwohl's companies lost some in Seattle, Vancouver, Ellensburg and Spokane Falls their capital is so great the loss is not felt, and they will continue to place risks and pay losses with their usual promptness, the same as they did after the great Chicago fire, in which their losses were heavy.

ALL NIGHT.—Mr Ivanovich keeps an all night house on First St between Ellsworth and Lyon, at which is to be found fresh oysters, porter house steaks, ham and eggs etc.

An ounce of prevention is better than a pound of cure. Pfunder's Oregon Blood Purifier expels all impurities of the blood and should be used in all diseases of the stomach, liver and kidneys. Take it.

Merit Wins.
 We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never had a remedy that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Foshay and Mason, druggists.

TELEGRAPHIC NEWS

A Tragic Affair.
NEW ORLEANS, Sept. 1.—This morning between 2 and 3 o'clock an excursion train loaded with colored people arrived at Goulsboro from Baton Rouge. A large number of colored people were at the depot, waiting for it. As the train neared the depot, one of the excursionists, in jumping off, fell. Some unknown person shouted, "look at the black!" The negro drew a pistol and fired four or five shots in rapid succession, one of which struck a white man named William Miller. Then the shooting became general, some 400 or 500 shots being fired inside of fifteen minutes. This account of the affair is given by the police force of Gretna. Several were killed or wounded.

A Brave Sheriff.
SAN FRANCISCO, Sept. 1.—A Chronicle special from Greenville, Cal., says: Sheriff Cady, of Lassen county, caught the man yesterday that robbed Wells, Fargo & Co., in Lassen last week. The robber resisted and shot the sheriff three times. The sheriff shot him once and then closed in on him and beat him with his pistol. The wounds are not serious. The sheriff recovered about \$1000.

An Athletic Jaw.
CHICAGO, Sept. 1.—Major J O Kerby, who is on his way home from the U S A R encampment at Milwaukee, in an interview on Corporal Tanner's administration of the pension office, said: "Corporal Tanner was appointed to his present position because he is endowed with a wonderful gift of gab. He is known at Washington as 'the man with the athletic jaw.'"

The Strike Continues.
LONDON, Sept. 1.—Two thousand coal heavers and bargemen employed by Parker & Lambert have joined the strikers. The council of strikers held a meeting last evening, and after a long discussion of the situation decided to continue the strike. A monster meeting of strikers was held in Hyde Park this afternoon.

A Prairie Fire.
LAC QUI PARLE, Minn., Sept. 1.—A prairie fire ten miles wide is sweeping Minnesota bottom lands, and the town of Big Stone is threatened with destruction, the flames having reached a point two miles southwest of there. Hundreds of farmers have lost all their hay and stock, and the fire, which was started by a party of hunters two days ago, is beyond control.
