

LOCAL RECORD

UNDER DIFFICULTIES.—Last week a group consisting of seven persons known as Moore's New York Specialty company came to Eugene and gave a performance at Rhinehart's parlors Thursday night to an audience of about twenty-five, says the Register. Before the performance was over several of those left. They tried it again Friday but took in only \$1.50, which they returned and closed the doors. Saturday night they showed at Springfield. They had to leave their baggage in a room here for their board and one of the men pawned his ring to pay their railroad fare over there. They had a good house at Springfield Saturday night and Sunday they came over for their baggage.

LOTS.—On inquiring the news of a real estate man a reporter was answered "Lots," and that is the kind of news often received, many real estate transactions being of a very secret nature, that kind that never reaches the Recorder's office. Wouldn't do to let it get out, them; some one might know it and catch on.

OFFICERS ELECTED.—At the regular meeting of Albany Lodge No. 41 O O F held last evening, the following officers were elected for the ensuing term: H J Peterson, N G; J D Guiss, V G; C G Rawlings, Rec Sec; A E Parker, Per Sec; W M Ketchum, Treas; A E Parker, Willis Gillet and J J Siles were elected Trustees.

A GOOD ORDINANCE.—The fire limit ordinance introduced at their last meeting by the Council should be passed. It extends the present limits so that the tier of lots on the south side of Second Street, from California to Baker Streets will be included, as well as the part of the city north of the same between the streets mentioned.

BIG HAULS.—Train robberies in the East are occurring with interesting frequency. The robbers appear to be more successful than usual, and in each instance have been rewarded by big "hauls." We have no train robberies here but people who buy their groceries of Conn Bros. are always awarded by big "hauls" for the money expended. It is a popular place to trade.

TRAVEL LIVELY.—The travel on the Lebanon wagon road the past year has been much more lively than heretofore, the receipts being \$600 more than last year. When the Oregon Pacific gets into Crook county it promises to go the other way as rapidly.

AT SHEDD.—There will be a festival and literary entertainment given by the Oak Plain Grange at their hall in Shedd, Dec 5th, 1889. Good music in attendance. All are invited to come. Admission 25 cents, children 10 cents.

M A POWERS, D A DAVIS, L W RIGHT, Com.

THE RECORD LOWERED.—The Oregon Pacific steamer, Wm M Hong, made the run from Portland to Salem yesterday in eight hours and thirty-eight minutes, making nine landings and carrying thirty-five tons of freight. This, the officers claim, is the best time ever made by a steambot from Portland under like conditions.

NOT HEARD FROM.—Dallas Times-Mountaineer says. About two months ago, so we are informed, a young man named Gordon, living a few miles from this city left his mother's farm driving a band of horses to the Willamette valley over the Cascade mountains, the proceeds of which he intended to devote to a course of study at the Business college at Portland. His mother packed his trunk, and sent it to his address in Portland. Nothing has been heard from him, and the trunk has not been called for. The mother is wild with grief, and cannot conjecture what has become of her boy, whether he has been murdered or perished in the mountains.

THE WAY IT GOES.—The house and lot recently advertised in the DEMOCRAT was sold yesterday, but there are a fine lot of bargains still left. It will soon be too late to obtain lots in the North addition to Astoria at \$55. The Portland agents are asking \$60 for the same property. E G Beardsley, Real Estate agent, Broadalbin Street.

AGAIN ARRESTED.—Mike Schlosser was arrested last night for being drunk and disorderly and disturbing the peace, at the Waverly House.

TO THE LADIES ONLY.—I am now prepared to do all kinds of stamping, and have over two thousand designs to choose from. Also keep a nice line of embroidery materials, such as arranges, crewels, No. 1 and 2 embroidery chenilles, princess chenilles, etc., etc., and the finest pom-poms, tassels, crescents, cords plushes, felts and fancy work materials ever in the city. Zephyr is going at 5 cent an ounce. Miss Minnie Colwell has charge of this department, and has had several years experience in all kinds of fancy work and stamping.
G. W. SIMPSON,
Albany, Oregon.

HARRISBURG PHOTOS.—J G Crawford, the artist, will go to Harrisburg the first of December to remain a number of days taking pictures for all who may give him a call. Mr Crawford is a fine artist, as all will say who inspect his work and the people in that locality would do well to avail themselves of this opportunity to get fine pictures.

WALLACE & CUSICK.

UPS AND DOWNS.—Some of the principal ups and downs in business life is to keep quality up and prices down. This is being done very successfully at LaForest & Thompson's, and those dinner sets to be distributed among our customers Jan. 1st is creating no little interest as well as our prices.

We would like to see an article on temperance from the able pen of Brick Dust, of Chiklen Bristle.

L M McFarland was in this vicinity a few days ago canvassing for a book called "The Road to Heaven." He said he would deliver December 15th.

In our rambles not long since we fell in with a herd of ladies who seemed to be in the midst of an animated discussion. Not knowing the subject they were talking about we asked and one of the group readily informed us that it was on the future happiness of one of their number. We were invited to remain a few moments and some of them would give their opinions on the subject. They were talking about No 1, said that a young man was paying his respects to one of their number and she said that he was in the habit of drinking whisky, but promised to leave off the habit if the girl would receive his attentions. No 2 said to the girl, let him leave off for one year first and then let him come and see how he will behave. No 3 said the best way is to have nothing to do with any saloon going young man. No 4 said I have known young men to promise to leave off drinking whisky until after they were married and then take it again.

HUBBARD'S ELEGANT LOTION.—The finest preparation ever discovered. For rendering the skin smooth, soft and white. It is not a face paint in any sense of the word. By using Elegant Lotion morning and evening, the most injurious face paint or powder becomes perfectly harmless. H C HUBBARD,
Prescription Druggist.

LOOK AT THIS.—134 feet front on First Street, right on the line of improvement, for \$60 per foot. We'll wager a cayuse pony that the property will sell for \$100 a foot in less than twelve months, in fact we will give any man who may buy it \$250 for a twelve months bond at that price. Do not procrastinate. To-morrow it may be too late, because you can't buy everything else down that way for that price.
WALLACE & CUSICK.

CONTEMPLATE THEM.—While contemplating the approach of the holiday season do not pass Conn Bros store without calling and examining their fine stock of doll buggies, picture books, and as well their fine assortment of lamps and crockery ware. They propose keeping something the public will want.

There is no more fruitful source of disease than vitiated blood. It involves every organ and function of the body, and if not immediately corrected by the use of Ayer's Sarsaparilla, sooner or later leads to fatal results. Be warned in time.

The Lady Godiva must have had exceptionally long hair since it completely concealed her lovely person. Since Ayer's Hair Vigor came into use such examples are not so rare as formerly. It not only promotes the growth of the hair, but gives it a rich, silken texture.
