

LOCAL RECORD

THE SAME FELLOW.—One of the most enormous advertising fakes that was ever put in this town is the so-called "comical paper of the glib-tongued, scintillating Mr. Goodkind. Each advertiser gets a glib of taffy, abounding in polysyllabic words, much of it so grandly extravagant that it is ridiculous, and this same identical of stereotyped puffs, differing a little in different pursuits, is to be found of each victim in other towns. Oregonian Courier. This is the same fellow who did Albany up several weeks ago; he never can do it again. Some other, though, probably can.

POUNDED.—The matter of the application of Lena Hubbard for the protection of her child, set for hearing at 9 o'clock this morning, before Judge Plack, on account of the illness of Mrs. Hubbard, mother of the child, whose health is quite, was adjourned until Thursday, 12th. Several hundred people, including a large number of women, were present for the purpose of hearing the testimony. The case has excited great interest through the town.

LARGE MILL.—One of the liveliest at the front on the Oregon Pacific, the mill of the Lumbering Company at Mill City, which has a large splendidly managed lumber yard at city. Twenty men are employed and output is about 20,000 feet a day. The mill has recently had a 16x10 foot planer built and a new planer for slicing is being put in.

OFFICERS.—At their annual meeting last evening Laurel Lodge of the following officers: Geo C. P. C.; Dr. J. L. Hill, C. C.; W. A. McLean, V. C.; Q. E. Propert, P. M.; U. G. Haines, R. and S.; A. E. Ketchum, M. of L.; P. Dunham, M. of Ex.; W. M. Parker, M. of O. H. Irvine, G. W. Hochstetler, J. F. trustees.

THE V. L.'S ENTERTAINMENT.—The entertainment given by the V. L.'s of the Baptist Church last evening was a very pleasant affair, the program as given by the church being carried out in fine shape. C. M. Hart's solo with guitar accompaniment received an encore happily rendered to, and each part was well rendered.

BLACKBERRIES TOO.—On this 29th day of November the daughter of Mr. A. D. Baker handed the Democrat a branch containing some ripe blackberries and some, which speaks for the salubriousness of the fall weather of the present season.

HEY SAILED.—Yesterday forenoon the Lamette Valley, after waiting eight days, and the Farallon, which arrived on Friday, sailed for San Francisco. The ship was subdivided and the boats passed with no difficulty.

THE WAY IT GOES.—The house and lot advertised in the Democrat was yesterday, but there are a fine lot of ruins still left. It will soon be too late to obtain lots in the North addition to Albany at \$55. The Portland agents are offering \$60 for the same property. E. G. Bradley, Real Estate agent, Broadalbin St.

KEEP YOUR EYES OPEN.—Giles & Son received a fine line of holiday goods in plush albums, fancy goods, nicely wrapped up in perimeters, and an elegant stock of artists goods, in which they are making a popular specialty. The proposition is as fine an assortment as is to be found in the city.

DR. J. B. PILKINGTON.—Surgeon, Oculist and Medical Specialist. Will be at the new house, Albany, all day Tuesday, 3rd, 1890. Eye, Ear, Catarrh, Rheumatism, Neuralgia, Rectal and Chronic suffer of whatever class will be given free consultation. Over 200 references given.

A VERY INTERESTING ITEM.—A newly appointed justice of the peace in Northern Idaho was asked what he would charge to marry a forlorn looking couple that had appeared to him from the backwoods. The J. P. thought he could perform the ceremony for fifty cents. The man allowed that he might raise that sum. On the performance of the ceremony, the justice called for his fee. After considerable fumbling in the pockets of his overalls the bridegroom thought he had either lost it or left it "to him." The J. P. having no desire to lose so large a prize as fifty cents, calmly informed the rustic youth that he was "unmarried." A bystander came to the rescue of the young man and loaned him fifty cents which was handed to his honor. The justice then remarked that they were married and at liberty to depart.

NOT TRUE.—A small boy passing the Democrat office last evening, was telling in excited tones how a man fell in the river when drunk down by the ferry. "And did he get out?" "No, he was drowned, and hasn't been found yet." Inquiry revealed nothing. Such little incidents often grow into mountains, and started with a mere boy, rat and mice often become elephants by the time several blocks have been traveled.

BETTER MAIL SERVICE.—The superintendent of the Railway Mail service has made, or will soon make, an order placing clerks on the local trains from Portland to Eugene. Mail will then be carried on these trains to all local post offices on the line the same as is now carried on the overland trains. This will be a great accommodation to the people.

A GYMNASIUM.—An effort is being made to establish a gymnasium at F company's armory, under the auspices of that company, but admitting outsiders upon payment of monthly dues. The move is a good one and should be encouraged. A gymnasium is needed in the city and the armory is a very suitable place for one. A first class and complete set of apparatus should be purchased for the purpose.

HUBBARD'S ELEGANT LOTION.—The finest preparation ever discovered. For rendering the skin smooth, soft and white. It is not a face paint in any sense of the word. By using Elegant Lotion morning and evening, the most injurious face paint or powder becomes perfectly harmless. In order to introduce this elegant preparation, we will present to each lady calling at our store a sample bottle. This offer remains good for the week only.

H. C. HUBBARD,
Prescription Druggist.

LOOK AT THIS.—134 feet front on First Street, right on the line of improvement, for \$60 per foot. We'll wager a cynic says that the property will sell for \$100 a foot in less than twelve months. In fact we will give any man who may buy it \$250 for a twelve months bond at that price. Do not procrastinate. Tomorrow it may be too late, because you can't buy everything else down that way for that price. WALLACE & CUSICK.

HARRISBURG PHOTOS.—J. G. Crawford, the artist, will go to Harrisburg the first of December to remain a number of days taking pictures for all who may give him a call. Mr. Crawford is a fine artist, as all will say who inspect his work and the people in that locality would do well to avail themselves of this opportunity to get fine pictures.

WILL DOUBLE IN VALUE.—25 feet front line two story brick building, on 1st St. Rents paying interest on \$12,000 building in fine repair and will double in value in eighteen months, for sale at \$12,000. See us soon as this will go fast. Other bargains advertised by us have gone. Not a single instance on record where speculators buying property of us have not made money. WALLACE & CUSICK.

UPS AND DOWNS.—Some of the principal ups and downs in business life is to keep quality up and prices down. This is being done very successfully at LaForest & Thompson's, and those dinner sets to be distributed among our customers Jan. 1st is creating no little interest as well as our prices.

BIGGEST YET.—10,000 rolls of wall paper, latest varieties, finest decorations just received at Fortmiller & Irving's.

I O O F.—Albany Lodge No 4 holds its regular meeting Wednesday evening of each week. Visiting brothers are cordially invited to attend.

DAILY DEMOCRAT for sale evenings at W. F. Kuba's.

THE MAN ABOUT TOWN.

People on the street tell the Man About Town that the election Monday will be a live one. The tickets have already been pretty well put up by the street caucuses. According to the general report Mayor Cowan, who has filled the office so acceptably, will be unanimously renominated by the democrats, and the remainder of the ticket according to the outlook will be unanimously like this: W. A. Humphrey, for Recorder; J. N. Hoffman, for Marshal; C. G. Rawlings, for Treasurer. A. J. Anselyn is mentioned for Councilman in the First ward; Julius Gradwohl is sure of nomination in the Second ward, and J. O. Wrightman and Jason Wheeler are named in the Third ward. The Republicans will nominate N. J. Henton for Recorder and Wm. N. Miller for Marshal, according to reports. No one has yet been found to run for Mayor. B. F. Tabler will probably be nominated for Councilman in the First ward; W. H. Garrett in the Second and G. F. Warner in the Third. Only about half of the above will be elected!

A great many people don't know what they are thankful for. The tramp in the calaboose, eating bread and water, what's he thankful for; the poor woman taking in washing to support a drunken husband, what's she thankful for; the street bummer without a box to whistle, the man who sponges his daily newspaper, the boy who has lost his top and his suits are broken, what are they thankful for. Yet a great many people should be thankful for being allowed to breathe at all. Just in getting some pure Willamette valley atmosphere is a boon to some people in this world.

Cities like men often make fools of themselves for little notoriety and free advertising. That is what several are doing by making big offers for the prize fight between Sullivan and Jackson, an affair that will be a disgrace if it ever occurs. But, in the first place they know they are safe in making big offers, for all sporting men are aware of the fact that Jackson is under contract with the Golden Gate club and can only fight under its auspices.

CONTEMPLATE THIS.—While contemplating the approach of the holiday season do not pass Conn Bros store without calling and examining their fine stock of doll buggies, picture books, and as well their fine assortment of lamps and crockery ware. They propose keeping something the public will want.

ASTORIA.—Lots in the North addition to Astoria. Price \$55 each on the installment plan or a discount for cash. These lots are selling rapidly in Portland and other cities. I am authorized to sell but a few blocks and it will pay you to call early and get your choice. —E. G. Beardsley Real Estate Agent Broadalbin St. Albany.

A SUPERIOR FANNEL.—I have received a case of all red twilled fannel from Chicago, which I think superior to any I have sold for the price. Parties wishing to purchase will do well to call and examine it. SAMUEL E. YOUNG.

A VERDICT.—That the grand display of oat, ornamental baskets, each containing one pound of choicest tea, at LaForest & Thompson's, is the finest importation ever brought to Albany. This tea is basket filled, pure and of rich flavor. We offer it at the astonishing low price of 40c.
