BIRD SEED FROM MOROCCO.

Bird seed forms a considerable item in the export trade of some of the Moorish ports. Thus from Laraiche last year in a total export valued at £60,791 the bird seed exported was valued at £5,970, and the quantity was 3,457 quarters. In 1857 the quantity was 4 018 quarters, and the value £8,414. The vice consul at that port states that this seed is never sown apart by the Moorish farmers, nor is any special attention paid to its cultivation. It is sown with wheat, and when reaped and threshed it is separated by the country women in sieves, The reason of this practice is that there is a general superstition among the Moors that in very wet seasons the wheat is in part converted into bird seed, and hence they sow the two together. Of course if they were sown seperately the crops would be much more abundant and the quality better, the soil in many parts being especially suitable for the bird seed.

Committed Suicide.

Tacoma, Jan. 20.—An Ellensburg special to the Globe says: A young lady, Miss Tina Clecker, daughter of Mrs M E Clune, who keeps the Banner restaurant on Third street, ended her life to-day by shooting herself, The ball entered the breast a little below and forword of the right arm. No reason can be assigned for the rash deed, The girl remained unconscious from the time of the shooting till she died, at 5 o'clock this evening.

A R R Fight.

Seattle, Jan, 20.—A dispatch received to-night from Mount Vernon, states that there had been trouble during the day between men employed on the Seattle, Lake Shore & Eastern right of way and men employed on the Fairhaven & Southern railroad line. The men used clubs and axes very freely, and several men were injured. The point where the fight occurred is about ten miles east of Mount Vernon. The outbreak to-day was not altogether a surprise, as trouble has been anticipated for the past six weeks,

A Strike.

Seattle, Jan, 20.—The bricklayers strike still continues, and no work is being done on buildings of which the contractors have not acceded to the demands of the bricklayers. Both sides are firm in the determination to fight to the last extremity, and are equally confident of winning. To-day has been fine for bricklaying, and but for the strike all of the buildings of the city would be rushing rapidly toward the skies,

Blockade Raised.

Moscow, Idaho, Jan. 20.—The snow is now about thirty inches deep, with indications of a Chinook. Only five through trains have arrived at Moscow this month, but the blockades are now raised, and trains are running regularly, Stage mails from Juliette, Lewiston, Genesee, Palouse City and Viola have made regular trips during the storm. Ranchers are jubilant on account of the heavy snow, assuring a heavy crop.

To Prevent Contagious Disease.

Salem, Jan. 20,—The domestic animal commission created by the last legislature, composed of Governor Pennoyer, Secretary McBride, State Veterinary Officer Wythecombe and D H Looney met this afternoon and after an extended investigation issued an order to Dr Whythecombe to slaughter any and all cattle found affected with contagious or infectious diseases. This order will be strictly enforced.

The Portuguese Trouble.

Lisbon, Jan. 20.—The Portuguese government finding the powers unwilling to mediate in the dispute between Portugal and England concerning territory in East Africa, will submit to Lord Salisbury's full demands under protest, while at the same time it will try to conciliate Portuguese public opinion.

Kid Gloves.—I have just received an invoice of the celebrated P. Centemeri kid gloves in black and colored. These with the other brands I handle, Foster genuine hook and Our Own brand, makes an assortment that any lady can be suited in prices and quality. These are all first-class goods and warranted as represented.

Samuel E. Young.

A Verdict.—That the grand display of neat, ornamental baskets, each containing one pound of choicest tea, at LaForest & Thompson's, is the finest importation ever brought to Albany. This tea is basket fired, pure and of rich flavor. We offer it at the astonishly low price of 40c

Bang.—One of the finest lots of guns and revolvers ever received in Albany are now in stock at Stewart & Sox's. Hunters should call and see them and get prices before buying.

Where to Get Them.—When wanting an organ or piano call on G L Blackman, where you can select from a first class stock.

Next.—New and best place in town is Gilson's new barber shop in the Froman Block, next door to Fortmiller & Irvine's. Best barber in town.
