THE MARROW OF THE DISPUTE.

We have constant agitation for the amelioration of the industrial people of the land. That they have wrongs to redress is not disputed, but they have hitherto sought almost every remedy but the right one.

As long as the industrial masses will vote to tax themselves for the benefit of monopoly classes, just so long will labor have oppression and unrest. When the workingman must pay 47 cts. out of his \$1 earned as taxes to swell an already overflowing treasury, it is mockery to say that there is protection to labor. There is protection to monopoly; there is only oppression to industry.

The true and the only remedy for the wrongs of the country is to take a positive stand and resolutely vote against all needless taxes on the necessities of life and against all taxes on the raw materials of our productive industries. That would assure protection to labor and it would assure mutual interests between labor and capital.

Our industrial people are the sovereigns of the Republic. They make and unmake its rulers and its laws; and whenever they shall decide that oppressive taxation of the masses for the benefit of favored classes shall cease, the one practical remedy for the mass of labor will be applied with beneficial results. Think of it; study it; discuss it and vote to enforce it. It is the marrow of the dispute.

TELEGRAPHIC NEWS

A Daring Robbery.

SEATTLE, Jan. 27.—One of the boldest robberies, accompanied by murderous assault, that ever occurred in this city, took place this morning at the corner of Cherry street and the alley between Second and Third streets. For cool daring and reckless desperation it outrivals the wildest deeds of the James boys, and even the fabled acts of Claude Duval are thrown in the shade by this.

At 10:15 o'clock a stranger entered the Elite faro game, which is connected with the Bijou saloon. R. I. Burns was dealing. The stranger bet \$1 in silver, lost it, and sat motionless. After a while the players dropped out one by one, leaving no one but Dealer Burns and the stranger in the room.

With drawn revolver he demanded and received \$200, subdued two officers shot a doorkeeper, Richards, probably fatally, and escaped, and has not been found.

A Train Wrecked.

INDIANAPOLIS, Jan. 27.—The passenger train on the Monon route which left Chicago Sunday night at 11:55 was wrecked at 7:50 o'clock this morning one mile above Carmel. The tender jumped the track. The engine reversed the engine, but before the air brakes could stop the train the locomotive and baggage car cleared the trestle. A sleeper and the smoking coach went over into the creek, both taking fire almost immediately, and being consumed in a remarkably short time.

Beats Albany.

PENDLETON, Jan. 27.—Mrs. William Dunlap made her appearance last night at a late hour in the Villard house barroom in her night clothes, pleading for protection from her husband, William Dunlap. Upon investigation it was discovered that husband and wife had been enjoying a family jar, when William grabbed a butcher knife and chased her into the street. That is the story she tells but Dunlap claims he used no such weapon. They have had similar trouble before.

Deadlock Broken.

DES MOINES, Jan. 27.—The long deadlock in the Iowa legislature was broken to-day. A compromise was agreed upon by republicans and democrats, and temporary organization effected. The house adjourned until to-morrow. Some express the opinion that there will be another deadlock on permanent organization.

Foolish Talk.

TACOMA, Jan. 27.—An afternoon paper in an editorial complains of alleged misrepresentation of Tacoma by the president of the Port Land Board of Trade, and adds: "There is but one way to retaliate, and that is by a systematic boycotting of that place. No citizen of Tacoma should purchase anything coming from Portland. We should leave that city and the merchants and people who insist on buying goods there severely alone."

High Tides.

TACOMA, Jan. 27.—The very high tides the last few days have occasioned a good deal of commotion.

NEXT.—New and best place in town is Gilson's new barber shop in the Froman Block, next door to Fortmiller & Irving's. Best hair cut in town.

BARBER.—The finest line of baby carriages in the Valley just received at Stewart & Sox's. Prices are remarkably cheap considering the superior quality of the carriages.

BANG.—One of the finest lots of guns and revolvers ever received in Albany are now in stock at Stewart & Sox's. Hunters should call and see them and get prices before buying.

WHERE TO GET THEM.—When wanting an organ or piano call on G. L. Blackman, where you can select from a first class stock.

If you have any job work to do call on G. W. Sax, who is prepared to do it with neatness and dispatch and at cheap prices.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup, for children's teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething a child is liable to suffer from fever and diarrhoea, which is the result of the child's system being weakened by the action of the teething. It is the best remedy for the child's system. Price 25c a bottle.
