HYMAN & BROWNELL, Albany, Oregon.

THEY CAN WIN IF THEY TRY.

The following advice to the democrats of Unadilla county, given by the East Oregonian, is not wholly inapplicable to the democrats of Linn. Read it and take it home to yourself:

There is no reasonable doubt that the democrats can elect their entire county ticket, and give Governor Penneyer, Treasurer Webb, and the rest of the state ticket, a good majority, this spring, if they try. If they don't try, any harder or at least in any better and more intelligent way, than they did two years ago, half the ticket or more will again be beaten.

If the democratic party has any principles or ideas or object worth electing men for, it is worth making a thorough, organized effort to maintain, advance, and carry out those principles, ideas and objects. If they have none, except merely to "get the offices" they will be justified in giving the matter no attention, except as heretofore, to "down" somebody on their ticket because of some petty grievance or jealousy.

The republican party wins not because it has majorities, but because its candidates are always assisted by a large number of so-called democrats, on frivolous, personal grounds. We do not say that there may not be good grounds for opposing a party candidate, nor that independence to a certain extent in politics is not a good quality; but the great ideas and principles upon which the parties are divided should hold all professed democrats within party lines now, unless for very weighty reasons.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of 10 years' standing." Abraham Hager, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar bottle at Foshay and Mason's Drug Store.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. It was fastened its claims upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. Her height of an inch and a half was lost. Her consumption was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hancock and Co., of Shelby, N. C.—Get a free trial bottle at Foshay and Mason's Drug Store.

TELEGRAPHIC NEWS

German Elections.

BERLIN, Feb. 21.—Returns from the elections thus far show the election of five Conservatives, two Independents, eighteen Centrists, two Liberals, fourteen Socialists, one National Liberal, two Poles and two Abstentions. In seventy six other districts a second ballot is necessary. Compared with the preceding election, the Socialist vote in Berlin shows an increase of 33,000 the Liberal vote an increase of 8,000, and the Conservative vote a decrease of 26,000.

A Burglary.

NEWBERG, Or., Feb. 21.—Wednesday night burglars broke into the store buildings of Morris, Miles & Co., J. D. Carter, and J. B. Mount, of this city. No money was taken, but jewelry and cutlery are missing to the amount of several dollars. From J. B. Mount's hardware store were taken pocket knives and razors to the amount of about fifty dollars. The front doors were easily broken through, and the appearances are that the chief understood his business.

Bishop Dubs Convicted.

CLEVELAND, O., Feb. 21.—The jury in the Bishop Dubs case returned a verdict to day. He was found guilty and suspended from office until the meeting of the general conference in September, 1891.

A Wreck.

SISSON, Cal., Feb. 21.—While a train of eight locomotives was returning from the scene of the blockade early this morning, the middle coupling broke four miles north of this place, causing a collision between the rear engines and the forward ones. A large number of laborers was riding on the engines; one was instantly killed and three seriously injured, one of whom will probably die. Two engines were badly damaged and the track blocked.

Until April.

MYRTLE CREEK, Or., Feb. 19.—The Southern Pacific from Portland southward, is now open to this point, twenty three miles beyond Roseburg. That is the distance between these two stations by rail, although by wagon road it is but seventeen. The difference is caused by a seven mile detour which the railroad makes in the following of the course of the Umpqua river around Roberts hill, while it is only one mile across the crest of this long obstruction. Indications it seems almost certain that the Oregon line will remain closed until April 1, entailing additional loss of \$50,000 in traffic and \$30,000 for extra labor, which will swell the total loss up to \$1,690,000.

Bar Bound at Coos Bay.

EUGENE CITY, Feb. 21.—The United States revenue steamer Corwin is bar bound at Coos bay, also the steamers Arago and Arcata.
