LOCAL RECORD

THERE is a grim sense of humor in the efforts of Salem's Statesman to make people believe that its town is booming.

ALBANY is sadly in need of a good hotel. For, Herald.

ALBANY already has two or three as good hotels as there are on the Coast.

THEATRICAL.—A good audience greeted John A Lindsay last evening in the thrilling drama, Enoch Arden.

A TESTIMONIAL.—We have been reading patent medicine testimonials for years, but the following tells of a testimonial that speaks for itself.

INFORMATION WANTED.—Of Byron S Brown, who left home, Courtright, River St Clair, Ont., Canada, in May, 1880.

LADIES OF ALBANY AND VICINITY.—Ida M Brush having just returned from Portland wishes to announce to her customers that she has received her full stock of spring millinery direct from the East.

It was a case of high tariff on wool last week when that man wanted the citizens of Eugene to pay him \$25,000 to invest a like amount in the wool business here.

ALBANY and Salem did about that like little men, and we have woolen mills that are a credit to the cities.

A SURPRISE.—Last evening the members of the M E Church gave Rev and Mrs S E Meminger a complete surprise, and a very pleasant evening was passed.

THE TIME.—Now is a good time to have your picture taken at Crawford & Paxton's. Call at our parlors and we will convince you that we are now making finer work than ever before.

BABY BUGGIES.—Undoubtedly the finest line of baby buggies in the valley is to be found at Stewart & Sox's.

SEEDS.—A large line of garden and grass seeds at Stewart & Sox's, choice variety to select from.

LEAVE ORDERS.—Those wishing to purchase flour chests of E. C. Brown, who lately canvassed this city, will leave orders with S. J. Brown, cigar and tobacco dealer, opposite the Revere house.

WHY IS IT.—That the Willamette Lumbering Co. sell so much Unity tea. Try it and you can judge for yourself.

CENTER TABLES.—A large and elegant shipment of center tables, in new designs, best stock in the valley, just received at Fortmiller & Irving's.

A NEW DISCOVERY.—Hubbard's Head Capsules. They are a positive cure and fill a long felt want.

Special attention is called to Mr. G. W. Simpson's fine line of clothing. Call in time bargains.

SOME ONE LIED.—Recently we published an item from a Eugene paper about the criminal neglect by a man of his wife, and several who read it said the fellow ought to be hanged, and that is the way the item read.

The grand jury last week indicted Edward Wand, of Cottage Grove, for manslaughter, and he was brought down from there last Thursday morning.

SLEEPY EUGENE.—A Mr Haswell, who at present is stopping at Albany, came up last Friday to talk with our citizens in regard to establishing a woolen mill.

Frank Such, aged 35, of San Francisco, went into the barroom of the Massasoit hotel at 6 o'clock this evening and sitting down in a dining stall, shot himself in the right temple.

The above, dated at Tacoma, March 12th, appears in the Oregonian. Frank Such, as nearly as we can learn, is probably a son of Mr F L Such, owner of Cloverdale.

IN ORDER.—Reports are now in order from Eastern Oregon to the effect that the loss of stock was not large at all. It might be hoped that the damage proved as relatively small as that from the flood.

MANY of our exchanges are bemoaning their sad fate, they having been victimized by one Dr Olympia S Murray, an East Portland M D.

SOME of our exchanges will read the ad above and then continue to run the ad to fill up with or something else.

IN MARION COUNTY.—In the schedule as announced by Assessor Blackberly for the assessment of Marion county this year this change is made: Horses from \$100 to \$125 per head; cattle \$50 to \$100 per yoke.

DR PATTON treats successfully all diseases of women, and guarantees to cure all curable private diseases. He has a sure remedy for catarrh of the head.

TO MY PATRONS and Ladies of Albany.—I shall be in Albany with a full stock of the latest styles in millinery by the 15th to the 1st of April. Thanks for past favors. Respectfully,

ASTORIA.—The cheap lots that I have for sale on the installment plan are bargains, every one of them. The prices will be raised both on the 15th of this month and on the 1st of April.

SPRING HAS COME.—The stock of wall paper at Fortmiller & Irving's is larger than ever, being quite immense and include many new and beautiful designs.

CIRCUIT COURT.

The grand jury to-day returned into Court the following indictments: State vs Jerry Keeney. A true bill. State vs A J Bell alias F P Bell. Polygamy. A true bill.

In the matter of the application of H C Hubbard for writ of habeas corpus to inquire into the authority or right by which Barbara Hubbard is held from the care and custody of H C Hubbard. Writ granted and made returnable next Monday.

The case of I D Miller vs S P R R Co is on trial. E J Berry, of Nebraska, was on motion of Judge Whitney admitted to practice in the several courts of this state.

A STATEMENT.

Editors Democrat: Will you please give us space in your paper to make a statement. There seems to be some of our citizens who do not understand that the Ladies' Aid Society are intending to build a hospital as well as a home.

MRS C C KELLY, Pres. Mrs T HOPKINS, Sec.

FAITH BY YOUR WORKS.—The owners of the Wasson Addition to Ravenna Park, Seattle, are each under a bond to each other to build a residence on their addition, to cost not less than \$2000.

SEE THEM.—A good way to learn the merits of a thing is to test it. If you would know something of the quality of a fabric examine it by a good light.

A NEW DEPARTMENT.—Fortmiller & Irving have added another department to their large and elegant furniture store, being one for carpets, matting, linoleum and oil cloths.

STALLION SHOW.—The DEMOCRAT is requested to announce that there will be a show of the stallions of Linn and adjoining counties, in this city, on Friday, March 28, beginning at 1 o'clock.

THE PORTLAND BRANCH.—Going away, going away.—We have decided to close out business, and our entire stock of clothing, boots, shoes and gents' furnishings, crockery, &c., &c., must be sold by April 15, without reserve, regardless of cost.

NEW ARRIVAL.—A large and complete stock of carpets, linoleum, oil cloths, shades, etc., at the store of A B McIlwain, all of the latest designs, and which will be sold at from 10 to 20 per cent lower than by other houses.

WILL TAKE LYING.—In order to get a possession buildinglinger Herman wants Salem people to lie and say they have a population of about 17,000; which is at least twice its population.

REMNANTS.—A large and fine line of remnants at G W Simpson's at your own price. Try it.

Mr Conrad Meyer, the DEMOCRAT is glad to observe, is now on the streets again for certain. First Street is being scraped. The process divulges many deformities in the lay of the ground.

Billy Arlington is coming this way. So far as Billy is concerned himself he has been a great minstrel. If you want either to buy or sell your property place the same in the hands of R F Ashby & Co.

Board of trade meeting to-morrow night at W C T U Hall. By order of old officers. Everybody should attend.

There seems to be quite a general expression in favor of the sewer system presented by Hon Geo E Chamberlain on behalf of the Natchez man.

One of the tinniest settled parts of the city is the Wooden corner. Mr Wooden already has four houses on two lots, but in order to have more company he will splice on another cottage. It is already rented, and there is a big demand for more.

KEEP YOUR EYE.—It would be well for farmers and others to keep an eye on the large and varied supply of agricultural implements which Mitchell & Lewis keep on hand, and the large number of new buggies and other spring vehicles which they are now receiving at their place of business, on Second street, near Schmeer's livery stable.

BUY ALBANY PROPERTY first and last and all the time, yet if men must and will buy Astoria lots and acre property always buy the best and nearest to water front and O R N docks and that addition is Kinney's addition to Astoria, the nearest by one mile.

CHILLED PLOWS.—Those wishing plows will make a mistake if they do not call on the Mitchell & Lewis Co. and examine their large assortment of Gale chilled walking plows. Some of the superior qualities of these plows are the adjustable handles, the draft is always direct, the standard jointer is used, which keeps the plow always in line. By all means call and examine them.
