

THE DAILY DEMOCRAT.

"Big Jim" Lotan completely squelched Boss Simon Saturday. Joe will hereafter go by the sobriquet of McGinty.

Gentlemen of the convention, remember that you should select a very strong, capable man for county commissioner.

The importance of selecting an efficient competent man for coroner is sometimes overlooked. Let a popular, competent man be named.

The two senators to be elected from this county at the coming election will serve four years. The convention should select strong, able, men with unsullied characters. The same may be said with reference to candidates for the lower house. Let us have a strong ticket for the legislature.

By the last Federal census the Territory of New Mexico had a population of 119,565. The Territory of Wyoming had 20,589. New Mexico is now estimated at nearly 200,000, while Wyoming has grown very little. The Republicans insist on making Wyoming a State, because she casts a Republican majority, and refuse to make New Mexico a State because she is reliably Democratic. There is practical politics for you! East Oregonian.

Democrats of Linn county, the republicans of Multnomah and other counties are rent into factions which makes bright prospects for a democratic victory in the state. Let us put ourselves in the fore front of the coming fight by harmonizing all past differences and come up in solid phalanx to the support of the ticket made to-morrow. The best democrat is he who will sink all past differences and go forth for the great victory that the party can win in this county if it will do so.

From our regular correspondent, WASHINGTON.

WASHINGTON, Mar. 31, 1890
Boss Quay has returned, and the very first thing he did was to order the senators of his party to confirm the nominations of the Florida officials that the protests and charges of the Florida Senators have had "hung up" for some time, and the result was the liveliest secret session of the Senate for many a day. The democratic senators did not mince words in attacking the men that Quay was cracking his whip to have confirmed, and the senate adjourned without confirming them, but of course Mr Quay will see to it that they are confirmed this week.

At a meeting of the executive committee of the National Association of democratic clubs held here Saturday, it was determined to take an active part in the coming campaign notwithstanding the gentle hint given by certain leading democrats that no help was needed from the clubs. Mr Carlisle is a believer in the good accomplished by clubs and so is Mr Cleveland, and in fact the majority of good democrats. The headquarters of the executive committee will in future be in this city instead of New York.

The commissioner of pensions estimates that it will take \$40,000,000 a year to meet the service pension bill proposed by the House committee on invalid pensions.

Representative Seney, who has just returned from Ohio, says "I don't think the redistricting of state assures the democrats as much as some count on. The districts are shaped to give not fifteen, but eight out of that fifteen have democratic majorities of less than 1,500 which is rather a narrow margin in Ohio politics."

Representatives Bland, of Missouri, and Williams, of Illinois, in a strong minority report against the Windom silver bill say that in their opinion the bill is very adroitly drawn to suspend silver coinage, to totally demonetize this metal and to permanently establish the single standard of gold payments.

The election committee of the House has decided to unseat two more democrats—Wise, of Virginia and Turpin of Alabama.

Hearings have been going on before the republicans of the House Ways and Means committee just as vigorously during the last few days as when the tariff bill was first begun. The republicans have promised to lay the new bill before the whole committee to-morrow, and if they do, it will soon get before the House, but it isn't safe to count on anything about this bill, owing to the ticklers in that party.

It is now regarded as a certainty that Assistant Postmaster General Clarkson will leave the government service this spring. His resignation is said to be now in the hands of Mr Wanamaker, and was handed in because of a slit from Mr Harrison that it would be acceptable to him.

NEW ADDITION.—Wright's addition to Albany is now on the market and comprises 165 large, level and beautiful building lots. The blocks have eight lots to the block, each lot being 60 by 100 feet. The streets are 60 feet wide, with two large avenues, one of 100 feet, the other of 90 feet in width. There will probably be a motor or electric line to this addition before long. For terms of sale apply to any real estate agent in the city.

TWO CAR LOADS.—Price & Robson have just received two car loads of wagons and buggies, light and heavy, and will sell them at remarkably low prices, considering the splendid quality of the wagons.

No democratic convention ever convened in Linn county upon whom a graver responsibility rested than rests upon the one to convene in this city to-morrow. It is an undoubted fact that the democratic majority has been materially reduced from what it has been in the past. It behooves delegates therefore, to-morrow, to lay aside all personal preferences, if necessary, and choose the strongest man for each office to be filled. Then it will be the duty of all defeated candidates and their friends to submit gracefully, as true democrats and put their shoulders to the wheel to elect the successful ones. Every democrat should bear in mind that his choice may not be the choice of the party, but that as a democrat it will be his duty to give the successful man his earnest support. It is in this way, and only in this way, that a party is made strong and led to victory. Let harmony, good feeling and good judgment prevail and all will be well.
