"PROTECTING" THE FARMER.

After much tribulation and many trials the McKinley tariff bill has been completed, and yesterday authenticated copies of it were given to the world through the medium of the press.

As an illustration of how not to do it the proposed measure is of particular interest to the western republican farmer. That unfortunate individual, groaning under the burden of 15 cent corn and 10 cents oats, and eaten up with interests on the mortgages with which his homestead is plastered, has been deluding himself that in return for his support of Harrison and the GOP last fall some sort of relief would be given him by the present congress.

When he read in his favorite paper yesterday the sort of relief he is to get, if he didn't go out behind his mortgaged barn and kick himself vigorously he hasn't the proper appreciation of the eternal fitness of things.

Here are some of the most thrilling items wherein the GOP through McKinley and his republican collaborators on the ways and means committee have conferred the rich blessings of "protection" upon the horny handed agriculturalist. Our exportations of wheat are 45,000,000 bushels annually, so up goes the tariff on that commodity 25 per cent; we send abroad 69,000,000 bushels of corn every twelve months, so the import duty on that cereal is increased 50 per cent; we send to our foreign friends 624,000 bushels of oats every year and hence the farmer is "protected" on that grain 50 per cent; we are unfortunate enough to import 395 bushels of cornmeal per annum and the duty on cornmeal goes up 100 per cent; we send to Hungry Europeans 400,000,000 pounds of bacon, hams and side meat every year and of course an increase in the duty on this from 2 to 5 cents per pound will make the farmer shake hands with himself for very joy; we export something like 85,000,000 pounds of cheese annually, and hence nothing will contribute to his prosperity more than the 50 per cent increase in the tariff on that article; we can't raise near enough eggs to supply the home demand, and so the 100 per cent increase in the duty on hen fruit will just tickle the farmer's wife to death.

OUR OWN.—A genuine kid glove, every pair warranted, for \$1.50 a pair. This glove I have handled for five years and have tried many others but never found any equal to them for the price.

SAMUEL E. YOUNG.

BABY BUGGIES.—Undoubtedly the finest line of baby buggies in the valley is to be found at Stewart & Sox's. They are attracting general attention.

GARBAGE NOTICE.—Notice is hereby given that all parties are forbidden to throw garbage and other decaying matter in the hollow adjoining the Albany iron works or elsewhere within the city limits. This will be strictly enforced. By order of the Committee on Health and Police.

FOR SALE.—A good driving horse, work well single or double. Residence on Hudson street, Albany.

You can save many a dime by trading at H. C. Hubbard's new drug store. Try it.

1000 worth of all on all cash sales for the next 10 days at W. F. Reed's.

New cream cheese just received at Conrad Meyer's.

NEW ARRIVAL.—A large and complete stock of carpets, linoleum, oil cloths, shades, etc., at the store of A. B. McMillan, all of the latest designs, and which will be sold at from 10 to 20 per cent lower than by other houses.

A Woman's Discovery.

"Another wonderful discovery has been made and that is by a lady in this county. Her name is Mrs. J. C. Fisher. She is a native of Oregon and she has been cured of a disease which she had for many years. She writes: 'I was cured of my disease by using Dr. Pierce's Golden Medical Discovery. It is the best medicine I have ever used. It cured me of my disease and made me strong and healthy. I can now do all the work I wish to do. I am now 40 years old and I feel like a new woman. I can now do all the work I wish to do. I am now 40 years old and I feel like a new woman. I can now do all the work I wish to do. I am now 40 years old and I feel like a new woman.'

The Verdict Unanimous.

W. D. Sull, Druggist, Albany, Ore., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of 10 years' standing." A. W. Hart, Druggist, Belleville, Ohio, writes: "The best selling medicine I have ever handled in my 20 years' experience is Electric Bitters. Thousands of other have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar bottle at Fishay and Mason's Drug Store."
