A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs Luther Lutz." Thus writes W C Hamrick and Co, of Shelby, N C.—Get a free trial bottle at Foshay and Mason's Drug Store 2

The Verdict Unanimous.

W D Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousand of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at Foshay and Mason's Drug Store. 2

A sea-serpent, 103 feet long, was seen to coil itself up in slippery folds on the coast of Florida last month. Three reliable persons saw this creature distinctly.

Reader, the above is a "yarn." If people would believe the following truthful statement as readily as they swallow sea-serpent stories, it would be the means of saving thousands of lives. Dr. Pierce's Golden Medical Discovery, if taken in time and given a fair trial, will actually cure consumption of the lungs, which is really scrofulous disease. If this wonderful medicine does not do all we recommend, when taken as directed, we will cheerfully and promptly return all money paid for it. Can any offer be more generous or fair? No other medicine possesses sufficient power over that fatal malady—Consumption, to warrant its manufacturers in selling it under such trying conditions. The "Golden Medical Discovery" is not only the most wonderful alterative, or blood-cleanser, known to medical science, but also possesses superior nutritive and tonic, or strength-giving properties, which assist the food to digest and become assimilated, thus building up both strength and flesh. For all cases of Bronchial, Throat and Lung Diseases, accompanied with lingering coughs, it is absolutely unequaled as a remedy. For Weak Lungs, Spitting of Blood, and kindred affections, it surpasses all other medicines.

$500 REWARD is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the Head which they cannot cure. By its mild, soothing, and healing properties, Dr. Sage's Remedy cures the worst cases, no matter how bad, or of how long standing. Fifty cents, by druggists.

HINTS TO HOUSEKEEPERS.

Emptied spools are utilized in making hanging book shelves or brackets. Strung upon strong wire they divide the shelves, and, of a smaller size, they are used to edge the shelves. They may be painted any color with enamel paint, and touched with gilding, at pleasure.

To clean carpets: When the carpet is well beaten and free from dust, lay it lightly down and scrub it with soap dissolved in soft water mixed with bullock's gall—about four gallons of water to a pint of gall. This will restore the colors of the carpet to their original brightness and make it look almost new. The brush employed should be of soft character, with long bristles.

Blankets and furs put away well sprinkled with borax, and done up air-tight, will never be troubled with moths.

It is a much better plan, than to do all at once, to take up some carpets in the Fall, and the rest in the Spring, and so divide the work, unless you want to feel that it is all out of the way at once.

In binding coats, vests or tailor-made dresses, do not use the silk binding braid, for it soons frays out and needs repairing again. The worsted that is fine and looks so much like the silk that it can hardly be told from it, can be procured, and is far more durable and lasting.

Pigs feet, after being thoroughly cleansed, may be pickled by first boiling them in slightly salted water, then packing in a jar; pour over them very strong vinegar, with or without spice, to suit the taste.

For washing fine, nice flannils, nothing will cause them to look so nice a borax in the water, a tablespoonful of borax to a pail of water being the right proportion. Always wash baby's little flannel skirts, shirts, etc., in this.

Corsets, Corsets.

We make a specialty of ladies and misses fine corsets and waists. We also have a drive in a French satine corset at 75 cents Extra good value.

SAMUEL E YOUNG.

He will make the prices so reasonable that our citizens will have an object in calling on him for first-class groceries. The regular market price will be paid for all kinds of produce. Give him a call.

TELEGRAPHIC NEWS

Lively Services

CHICAGO, April 20.—The action of the two rival conferences of the Evangelical church in each appointing a pastor for every church in the state resulted in a serious trouble at the Humboldt Park church in this city to day. Rev Mr Morlock was to preach his farewell sermon and his successor was to be installed. The adherents and appointees from both conferences were on hand. Bishop Esher's conference had appointed Rev John Vetter and the other faction, Rev A Heilman. When Pastor Morlock and Pastor elect Heilman attempted to close the Sunday school, preparatory to other services, Superintendent Krueger and Pastor elect Vetter demanded their authority. Immediately the congregation rose from their seats and one party seized Vetter, while Heilman jumped down from the pulpit. Vetter was finally landed outside, and notwithstanding his license from the conference, was refused admittance by Heilman, who stood in the door way. When Vetter's adherents had retired Rev Morlock preached his sermon, deploring the occurrence, but saying Christ was the only bishop they were recognizing at present. Excitement in that quarter over the affair is intense.

Dolph on Ships.

WASHINGTON, April 20.—Senator Dolph has prepared an amendment to the navy appropriation bill which strikes out the provision for the line of battle ships and provides for three floating batteries. The Oregon senator says the big ships proposed are mongrels, neither fit to go to sea or for defense. The floating batteries which he proposed will be of light draft, so they can be anchored close to any point where defense is required. In the discussion on these bills Mr Dolph will give his views on coast defense.

Rain and Snow.

SAN FRANCISCO, April 19.—Yesterday's rain was general throughout the state. Sonoma, Sacramento, and Santa Clara valleys were thoroughly drenched on Thursday night. In the San Joaquin valley there were frequent showers, and in the Sierras there was snow also. There was rain along the line of the Summit railroad; it snowed heavy, from last accounts.

A Bridge Collapses.

SPRINGFIELD, O., April 20.—At a colored baptizing, given in Buck creek this afternoon, a part of a bridge, loaded down with spectators, collapsed. Four persons were injured fatally, and over fifty more received severe injuries. There were about 600 people on Limestone street bridge, which had been condemned and afterwards repaired and which spans a race, in addition to crossing a creek.
