SIMON AND LOTAN.

Portland, April 29, 1899.

Editors Democrat:

There was nothing fair in the Simon and Lotan fight. It was not intended to be fair, but it was not expected to be an outrage on good order. Lotan, though he hired all the vehicles and spent thousands of dollars, he did not lead Simon nine hundred votes. The methods used by Mr Lotan are to be carried out to the finish. But the facts show that if the primaries had been carried out fairly Simon would have succeeded. He, in fact, has a majority in the city over Lotan, Thompson & Co., and it will be so proven. If Mr Lotan thinks he has rings in the noses of the thinking men in Multnomah county he is mistaken. He managed to force a delegation for Thompson and this is the way he did it. We take the tale from the Oregonian of the 7th inst. It shows Thompson's fitness for governor.

"The result of the primaries held Saturday is regarded by the defeated faction as showing a very ominous state of affairs. Thus, in South Portland precinct, No. 3, where charges of ballot box stuffing were claimed, there were 351 votes cast, against a total vote, democratic and republican, of two years ago of 650. So, also, in North Portland, No. 1, carried by the Lotanites, there were 799 votes cast at the primaries, where two years ago the total vote of both parties was only 231. Other similar discrepancies occur in North Portland, No. 6, where 337 now are contrasted against 279, and in North Portland No. 3, where the combined vote two years ago was 675, this time at the primaries 988. The precincts carried by Simon do not show up in any such shape. South Portland, No. 2, polled, combined, two years ago 816; Saturday, 535 republican votes. North Portland, No. 2, shows now 579, against a former record of 515."

Mr Thompson must feel proud to think that he got delegates enough in this corrupt way to trade himself into the candidacy for governor. A man who will resort to such means or the man who would be guilty of manipulating this fraud ought to be executed by every honest voter in the state. If these men can do these things when beyond the reach of the law, what will they do when in power? The methods by which Thompson got his nomination was expected of him. Though it is the boast of Lotan.

VOTER.

The republicans in state convention endorsed the McKinley tariff bill. That bill provides for an increase in the duties on jute sacks. The agricultural industries of the country, especially wheat raising, is sorely depressed. Farmers must have jute sacks to handle their grain. This increased duty on jute sacks is simply a tax on every farmer in the country for the benefit of a half dozen jute manufacturers. Dave Thompson, the republicans candidate for governor says this tax is all right. This unscrupulous tax-dodger and owner of seventeen banks says it is right to thus tax the farmer's wheat. How republican farmers can vote for this man is beyond our comprehension. But we know of a great many who will not do it.

A gentleman who claims to know where, of he speaks says, that nearly every leading business republican in Portland is opposed to the election of Dave Thompson for governor. It is scarcely a political question any longer whether Penneyer or Thompson shall be elected governor. It is a question whether an honest faithful man shall be elected, or whether shame and disgrace shall be brought upon the state by the election of an unscrupulous money getter like Thompson. All over the state the best and most conscientious republicans are openly declaring for Penneyer.

The human family to-day consists of about 1,450,000,000 individuals. In Asia, where man was first planted, there are now about 500,000,000; on an average 120 to the square mile. In Europe there are 320,000,000, averaging 100 to the square mile. In Africa there are 210,000,000. In America, North and South, there are 110,000,000 relatively thinly scattered and recent. In the islands, large and small, probably 10,000,000. The extremes of the white and black are as five to three, the remaining 700,000,000 being intermediate brown and tawny.

BRIDGING.

It is amusing to see how the republican papers in this state begin to hedge. Not more than two months ago they all talked confidently of electing their state ticket by 50,000 majority. Now the most hopeful do not put the figures over 5000. Before election they will be glad to know that they will have over 500 on some of their ticket.

It is asserted by leading republicans all over the state, that prior to the republican state convention, D P Thompson entered into an agreement with Phil Matcham by which he, with his Portland delegation, would secure the nomination of Phil for state treasurer, in return for which, Phil if elected, should have a very friendly feeling for Dave's seven-year banks. Everybody, and especially banker's, knows what this means. It would give Dave an immense advantage over all other banks. This accounts for the fact that hundreds of men who supported Penneyer four years ago, are now supporting him.

A very pretty way of adorning the fireplace which even with the customary "Summer piece" can scarcely be called ornamental when deprived of its chief charm, a glowing fire, is to place a glass screen or mirror in front of it, but not close enough to deprive it of usefulness as a ventilator. In front of this stand a long, narrow box, in shape like a window box, provided with a zinc tray for catching moisture. Have the box filled growing ferns and vines, and train the sides of the mirror, in which the reflection of the ferns and flowering plants adds greatly to the beauty of the whole.
