

DAILY DEMOCRAT.

CRAWFORDSVILLE.

J. R. Wiseman has just finished planting a field of 17 or 18 acres in corn, from which he expects to gather a Missouri crop.

It seems the railroad project up the Calapoosa has died a quiet death. Suppose it will be resurrected again when the roads become impassable.

J. T. Mores and wife have both been quite sick, but are now out again.

The schools in this section are progressing finely. With the facilities now offered people are diligent in their duty who fail to give their children business education.

The Odd Fellows, accompanied by the Crawfordville Brass Band, attended the picnic in Brownsville on Saturday and had a good time.

Mr. Pugh has received his commission as Post Master at Holley, and his supplies are arriving daily and in a few days he expects to have his office running in due style.

Messrs. Pugh & Matlock are doing a good business at Holley, merchandising.

We learn that A. C. King will lay off lots at Holley and put them on the market as soon as he can have them surveyed.

Several farms can be bought in this immediate vicinity, and it might pay intending purchasers to look around in this section.

The entire Democratic ticket, state and county, gives satisfaction to the party in this section. I do not know of a single kicker.

WESLEY.

A PECULIAR CASE.—A well known shoemaker has brought suit against a Chinaman for the sum of one dollar, which amount he claims the almoned-eyed Mongolian owes him for clothes lost while being washed. Attorneys have been employed on either side as both were obligated to give in and compromise the matter for fifty cents, but one of them will be called upon to foot the bill for the amount of fifteen dollars or so.—Pencleton Tribune.

QUITE SEASONABLE.—Mr. W. R. Graham has just received some elegant patterns in domestic and imported goods, suitable for the season. Finer designs and more durable fabrics have never been seen in the valley. The display is really an extra one, and men wanting stylish suits or pants should call and examine the patterns before buying. Prices the most reasonable.

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the great alternative and tonic. If you are troubled with any disease of kidneys, liver or stomach, of long or short standing, you will surely find relief by use of Electric Bitters. Sold at 50c and \$1 per bottle at Foshay & Mason's Drug Store.

You can save many a dime by trading at H. C. Hubbard's new drug store. Try it.
