

Republican papers are exhorting Harvey Scott for saying that "the republican party is on the high road to the devil." "Jor don" is a hard road Harvey to travel. When he tells the truth, as he does, sometimes, when a bit of candor takes possession of him his own party papers flagellate him until he is sore, and when he varies from the line of truth and facts, as he frequently does, then the democratic papers baste him unmercifully, so in sheer clear of Scylla he is cast helpless on Charybdis.

The whole country without regard to party has met a severe loss in the untimely death of Senator Beck, of Kentucky who died Saturday of paralysis of the heart. He was a man of great ability and unswerving integrity and commanded the confidence of republican as well as democratic senators. It will be hard to fill his place. Carlisle may be called up higher.

The Republican managers in Alabama have decided to not run a state ticket this year but to have Congressional candidates in every district, trusting to the precedents of the present Congress and Speaker Reed to count them in.
