LOCAL RECORD

THE UNITED EFFORT.—G W Wright and J R Neil, of the Board of Trade returned last evening from a meeting with a committee from the Salem Board of Trade. The result was an organization to be known as the "Willamette Valley Development Association." The name explains the object. It will require at least $1000 a month, probably $1200, to run the Association, not less than $100 from each county It has been decided to place two men at Portland, one at Seattle, one at Tacoma, and one at Sacramento, furnishing each with a large supply of advertising matter. A board of managers, one from each county, will run the association, and probably seven counties will be represented. A meeting of the managers will be held at Albany soon.

DEALINGS IN DIRT.—There is plenty of money in dirt in Albany to-day. Good returns are being made by investment right along in Washington Street dirt, the kind that counts steadily. A man and team are good for sixteen to twenty loads a day at 25 cents a load. The street is now nearly on grade and not only has it been benefited in a wonderful manner; but all over the city lots have been raised, streets graded, and a general improvement made, besides giving employment to a large number of men, who have deservedly been making good wages by dealing in dirt, without the intervention of bonds.

WAKING UP.—Coming from the Corvallis Times, the following railroad item is entitled to consideration. "Nothing could be more unfortunate for this section of the country than for the Southern Pacific to gain control of the O. P. They have already nearly a monopoly of the entire traffic of Oregon and California, and their control of this road would only add to our depression. The O. P under the persent management, with all her faults and slow progress in building the road, is a thousand times of more benefit to this section than the S. P. would be with exclusive control of the traffic."

AN ONECO COLT FIRST.—At Salem, Saturday, the Willamette Valley Horse Breeders Association gave their annual colt show, which was one of the greatest horse successes ever held in the state. About 250 colts were exhibited, each stallion being allowed three colts in the contest for prizes in the different branches. In the leading class, that of standard bred colts, it is an interesting fact that a colt of Oneco, McKnight Bros' well-known stallion, won the first prize. An Altamont colt won the second prize, and a Rockwood colt the third prize. The Oneco colts are fast coming to the front, and excite admiration everywhere among horsemen.

AT TWO PLACES.—The Roseburg Review says that Mr Lever, of Knoxville, Iowa, will positively establish a woolen mill in that city as soon as the Coos Bay railroad is assured. Perhaps he will, but the people of Corvallis are entitled to some consideration at his hands before making any definite arrangements elsewhere.—Times.

AN EXAMPLE.—J L Osburn will go to Portland on Thursday in the interest of Benton county. He has been engaged by the Corvallis Board of Trade to show to immigrants the advantages offered by this locality to the home-seeker and capitalist.—Times.

AN OLD TIMER.—Pat Farrell, a former resident of Albany, for many years a citizen of Eugene, is in the city working in the marble shop near the DEMOCRAT office. "That looks like old times," said another old timer.

ROOSTER ROCK.—A finely executed painting of Rooster Rock, on the Columbia, may be seen in the show window of S E Young's store. It was executed by Mrs Dr Patton and displays a skilful touch.

ADJUDGED INSANE.—Nancy J Dickens, of the Forks of the Santiam, was brought before Judge Blackburn yesterday and adjudged insane. Deputy sheriff Smith took her to Salem this morning. She is a daughter of Jeremiah Dickens who died a few years ago.

THE SCIO FIRE.—The fire has been all the talk at Scio. It was a big one for the place. Besides the actual loss there was considerable damage from removal of goods. A revised and correct statement of the losses has been given us as follows: Johnson & Hibler, damage to goods from removal, $5000, fully insured in several companies. Mrs Smith, millinery, damage from removal a few dollars. Louis Mayer, bakery, $850; S M Daniel, building, $700, no insurance. Maltby & Carey, harness shop and goods, $1200; goods insured in Farmers & Merchants Ins Co for $600. Most of goods saved. Talcott estate, building, $750. S M Townsend, $1500 to $3000. E Goin, damage to building, $100. Across the street DeVaney & Shelton were damaged $100. Insured in New Zealand and Home Mutual. Alex Montgomery, $100; insured in the Farmers & Merchants of Albany. J W Dilly, $50. The Salvation Army, over Townsend's, were burned out, loss $300. The fire is supposed to have been incendiary.

HIPPODROMING.—Saturday evening a foot race took place at Gervais between a young fellow named Cameron and Grimm. After the race was run those who bet thought it was a preconcerted affair and at once went after the principals in a rough manner. A rope was arranged to hang one man and a severe thumping was given to another. A rough and tumble fight took place which will result in a big lawsuit to-day. The scene was an exciting one.—Statesman.

The Statesman further says: "B S Rice and E J Harding, who reside near St Paul, were arrested upon warrants executed by Justice Goodell, acensing them of them of the crime of robbery. They are said to be the principals in the row over the outcome of a foot race which occurred near that town on Sunday last. They gave bonds to appear last evening before Squire Goodell and finally the case was continued to the 2nd Monday in June for trial."

GIFT ENTERPRISE.—Go and see that beautiful gold watch at the "Golden Rule Bazaar." Julius Gradwohl the proprietor of the Golden Rule Bazaar, informs us that he has the Prize Baking Powder, and No 1 Japan tea, expressly up for his business, and for the benefit of his customers, each box of baking powder will win a piece of fine glassware and also each pound of the tea will win a piece of fine glassware, and customers who buy one pound of tea or a box of baking powder, which is warranted, will have a chance at that beautiful gold watch. He has also added a fine assortment of family groceries to his mammouth stock of glassware and crockery, which is the largest in the Willamette Valley. Go and see Mr Gradwhol at the Golden Rule Bazaar, and you will find that nothing is misrepresented.

It is said that while our people consume 100 pounds of soap, England uses but 85, Germany 83, France 35, Sweden 70, Italy 37, Bulgaria 35, and Mexico 27. Conn & Hendricson keep some of this soap as well as clean groceries, a large lot of potatoes, fresh produce and fruits generally.

The County Canvassers.

The candidates for county offices were in Scio yesterday. In the speech-making the democrats were represented by Messrs J K Weatherford, Jeff Myers, C J Shedd, G F Russell and Matt Scott. The union labor party were represented by John Bryant and H W Paker. The republicans by Peter Hume, R L Smith, James Richardson, R E Michener and J A Pearl. The discussions were on assessment laws, non-taxable bonds, railroad commissions and the tariff. A very large crowd was present and the universal verdict is that the democrats overmatched the republicans on all points. There is much earnest enthusiasm among the democrats of the Forks, and are more thoroughly united than they have been for many years. They promise that the result on June 2nd will prove this to be true.

BARGAINS IN ASTORIA.—The enterprise of the Astoria people in raising $200,000 in twenty-four hours to bring the Southern Pacific railroad to that city has given a wonderful impulse to business at that point. The Columbian says: "The real estate market responded quickly to the enlivening touch of the railroad subscription;" and the Astoria papers bristle with the stir and undertakings in progress there. The Oregon Land Company of Albany and Salem has for sale some choice locations in North Pacific addition to Astoria, and as prices are rapidly advancing, the earliest investor has the best show. Now is the time to make money.

The Oregon Land Company of Albany and Salem has a few more of those fruit farms for sale.

NOT ISOLATED CASES.

To show that the cures made by Joy's Vegetable Sarsaparilla are not only; not exceptional cases, but that it helps everybody, we cite a few instances where two in the same family took it and were both cured.

Thomas Stephens, of 168 Sixth St., S. F., took it for weak stomach and dyspepsia. It entirely cured him. He then gave it to his wife for her sick headaches, since which time she has had no return. It cured them both.

Mrs. R. L. Wheaton, of 704 Post St., S. F., was a sufferer from stomach and liver troubles and billousness. Finding that it relieved her, she gave it to a little girl living with her whose affliction was a large open sore which nothing seemed to heal. It also cured the child.

H. S. Winn, of Geary Court, Geary St., S. F., prominent in the Order of Red Men, was very feeble and greatly reduced. Joy's Vegetable Sarsaparilla restored his health and accustomed vigor. He thereupon gave it to his wife who was similarly afflicted and had nervous prostration. It had the same happy effect upon her it had upon him. Scores of similar cases could be cited but we have no room for them here.
