#### DAILY DEMOCRAT.

ONE Boy .- The general opinion is that boys are not good for anything but te

wear out their father's old clothes. There seems to be an exception over in Dallas:

"Joe Stanley is a boy worth having. Last week his mother was away from home for several day, so Joe tried his hand at making pies, and the outcome was something nice. He took some to his teacher and his sweetheart at school. Joe is as longheaded as a mule and knows the girls are most apt to fall in love with a boy who can do things around the house."
