Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the great alternative and tonic. If you are troubled with any disease of kidneys, liver or stomach, of long or short standing, you will surely find relief by use of Electric Bitters. Rev F M Shroot, pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26 lbs in weight."
Arthur Love, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for consumption, beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at Foshay & Mason's Drug Store. Regular sizes 50c and \$1.00.

TELEGRAPHIC NEWS

Surveyor General Elyrs.
WASHINGTON, D. C., June 4.—The president today sent to the senate the following nomination: W Henry Elyrs to be Surveyor General of Oregon.

In Multnomah County.
PORTLAND, June 4.—Penoyer does not carry this county as was claimed yesterday. Complete returns from all precincts in Multnomah county except two, give Thompson a net majority of 177.

Cyclones.
LINCOLN, Neb., June 4.—The state Journal party returned from the scene of the tornado in Bradshaw, York county, this evening, and brought confirmation of the worst reports received. The storm struck the town at 8:30 Tuesday evening, the roar of the whirlwind being the first notice the terrified people heard. Not a single building is left, a Russian settlement near town was struck and the report is that nine were killed outright. Physicians say that in all twelve are dead, eight mortally wounded and perhaps twenty are hurt less seriously.

Benton County.
SALEM, June 4.—The official vote in Marion county gives Thompson a majority of 17, Metzchan 613, McElroy 856, Baker 578, Bean 783, Hermann 921, Bingham 573, Waldo 770, Watson 486, Croisan 1173, Balcock 587, McNary 632, Condit 764, Cleaver 119, Yoder 179, Culver 607, Stott 434, Cross 769. Holmes, democrat, for representative, had a majority of 6. Honey and Hirsch, republicans, were elected to the senate, and Armstrong, Baker, Geer and Minto, republicans, were elected to the house. The largest number of votes cast for a union candidate was 348, for Hubbard for representative.

Lane County.
EUGENE, June 4.—The returns are in for the entire county, which gives Penoyer a majority of 344, and Hermann a majority of 328; Bean, for supreme judge, has a majority of 426. The remainder of the republican state ticket has a majority of about 200. Of the county ticket, the republicans elect two representatives, A C Jennings and Jasper Wilkins, the clerk, treasurer, surveyor and coroner. The democrats elect state senator, R. M. Veatch, one representative, E. P. Coleman, sheriff, school superintendent, assessor and county commissioner.

Benton County.
CORVALLIS, June 4.—Returns from all precincts in this county give majorities for Penoyer 269, Hermann 219, McBride 96, and balance of state ticket republican by about 100. The republicans carry the legislature by about 15, also the county ticket, except sheriff, treasurer, assessor and commissioner, which are democratic. Mackay, Dem., for sheriff, carried the county by only 5 majority.
The democrats are having a big indication to night. Anvils are firing and a huge bonfire is burning in Main street.

Again Looming Up.

The Astoria Columbian runs up the amount of real estate sales in Clatsop Co. for the week ending May 17th at \$290,053. The Astoria real estate market is showing a decided improvement since Huntington expressed his intention of completing the Astoria & South Coast road into Astoria. The sales reported above were not large, but better than they have been for the past two months. The city is brightening up, and the big boom, which precedes railroad building in the Northwest has already commenced in Astoria. The handling of property during the week named reached a quarter of a million dollars but the amount deposited on these bonds hardly reached \$400,000, proving that the actual transfer totals were not a reflex of the condition of the market. The lots held by the Oregon Land Co. of Salem and Portland, in the North Pacific addition to Astoria, are again coming to demand and offer a very desirable investment.

Gift Exchange.—Go and see the beautiful gold watch at the "Golden Rule Bazaar." Julius Gradwohl, the proprietor of the Golden Rule Bazaar, informs us that he has the Prize Baking Powder, and No. 1 Japan Tea, exclusively for his business, and for the benefit of his customers, each box of baking powder will win a piece of fine glassware and also each pound of the tea will win a piece of fine glassware, and customers who buy one pound of tea or a box of baking powder, which is warranted, will have a chance at that beautiful gold watch. He has also added a fine assortment of family groceries to his month-month stock of glassware and crockery, which is the largest in the Willamette Valley. Go and see Mr Gradwohl at the Golden Rule Bazaar, and you will find that nothing is misrepresented.
