

DAILY DEMOCRAT.

ONE CAUSE.—Among the many causes that have conspired to make a scarcity of money not only in Portland but throughout the state, says the *Wellcome*, not the least is the scarcity of beef cattle, a sufficiency of which heretofore has been owned by Oregon farmers. It has been said by those conversant with the stock and beef business that in the past year at least \$1,000,000 should have been held in Oregon was forwarded to California for fat beef. One firm alone has paid in freight on cattle for the past five months \$100,000. For fat beef in California, Portland butchers have paid 3 1/2 cents per pound and with the addition of freight, yet they buy cheaper than they can at home, where good beef cattle are held at five cents. When this market is mentioned western Washington and Victoria must be considered in, since Portland supplies these sections with four fifths of their beef.

OUR LITTLE WORRIES AND IL
It is the little things of life, the worries of to-day and to-morrow, that make the crow's feet around our eyes. So the little pains of an hour or a minute break down the constitution. Look after the little ills. Brander's Pills cure dyspepsia, or indigestion, headache, pain in the shoulders, coughs, tightness of the chest, dizziness, sour stomach, bad taste in the mouth, bilious attacks, palpitation of the heart, inflammation of the lungs. Pain in the region of the kidneys, and a hundred other painful symptoms are the clinging of dyspepsia. One or two pills every night is sufficient. Brander's Pills are sold in every drug and medicine store, either plain or sugar coated.

HOW TO CURE NERVOUSNESS.
A body with a nervous temperament will make known its wants through its natural medium—the nervous system. If it fails to receive proper nourishment the nerves will be the first to cry out. Dr. Hiller's Hydrastine Restorative ensures perfect nutrition to those who take it, and a perfectly nourished body cannot be nervous. For sale at Foshay & Mason's.

PROGRESS.
It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.
