HE FOOLS 'EM.

People who are Easily Deceived. He has Caught Right so far.

A city democrat stated that he had had eight calls for Joy's Vegetable Sarsaparilla but had not used any. He said it did not occur to him that it might be a serious matter to give his old time mercury and potash preparation to people who do not need syphilitic treatment. It is safe to say that not one person in ten has a syphilitic trouble. Hence what do they want with such dangerous minerals as mercury and potash? What nine-tenths of our people are troubled with is indigestion, dyspepsia, sick headache, constipation and face eruptions, all of which are the legitimate results of improper liver and kidney action, or impaired digestive organs. Those disorders do not call for syphilitic treatment, but for mild vegetable liver, stomach and bowel alteratives. We are surprised that intelligent people should be persuaded into taking a mercury and potash sarsaparilla. When you ask for Joy's Vegetable Sarsaparilla, see that you get it.

MR. Z. T. WRIGHT, Portland, Oregon,

Dear Sir: In reference to your inquiry as to how I liked my Advance Thresher, purchased of you this year, will say the Advance does more and better work than any other machine I ever saw, and I have seen all that are represented in Oregon.

It threshes faster, cleans the grain better, runs lighter and saves the grain better from the straw, than any other machine, and is strong and durable. I am ready at any time to go into a trial with any other machine [except the Advance] and thresh for from \$100 to \$500. They are the best in the market without doubt. If you desire you can refer to me at any and all times.

[Signed] I. D. MILLER.

The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. MENLEY'S English Bandelion Tonic exerts a specific influence over the liver, excites it to healthy action, resolves its chronic engorgements, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.
