 After consulting with the proprie-tie was seen to secure the chairman of committee on streets and public prop-, who rushed off for the hotel. The the communication of sector and posed. The carlosity of a Dismonar main was excited, and he did not rest until the trath was learned. There had been an intrusion at the hotel, a myriad of this is blooms had doated into the diming nom lighting on the butter, floor, everywhere, and, sure enough why wan't the order of the cond-cll competing property owners to can down their thistles enforcest, that was what like hotel keeper wanted to know. Now it is too late. A few flore would serve some people about right; but then it would hit about everybudy.

ARR Inna -On the 15th of thi month a contrast will be let at Baker City for building 25 miles of rational. It is to go toward the Harrey Valley, and a rail-road man tells the Dissocrave his opiolon is that it will be a part of the castern ex-

large number of the curve of raise money to pay the interest, falling due on empty ten story buildings. Our population is very small, but we own our own town after all, and are at all events solvent. We will yet sit on the feace and see several

UNCONSTITUTIONAL -- One of the laws passed by the last legislature was what was known as the logging act, introduced by Hon W Kirk Price of Jackson county. At the last session of the county court an application was made for a road under the act, in this courty, resulting in the same being refused under the ground that the entiting clause was not sufficient, prastic-ally declaring the law unconstitutional.

A SALE .-- Mr C H Vehers has sold to rou the east a large involvest wall pa-

A TAR TAR .- The following from the A 136 TAL — The following from the Pendleton Tribune is such a remarkable item to be published in the paper of to-day that we give it in full: A tenderfoot emphasized on the street one don't want another. The two female evangelists who have been holding forth on the streets had called together quite a roord, invoig whom was the aforeanid tenderfoot, who, though maware of the leading and most christian-files ministers of this place. After fortuning to the very sense time, the tenderfoot because dis-mated and training to the minister com-mented and training to the minister in-streets and of above austinst. The remest of christianity, christian and domethes in senaral. How we have not serve interflow the data because dis-mated and training to the main stars of the remest of above austinst. The remest of the tenderfoot because dis-mated and training to the way her ma-dimethes in senaral. How we have not there is the tenderfoot who way her we indicated type are indicated and the domethes in senaral. How we have not the minister's type and the way her ma-d is to that power tradefield when the main the minister's type and the way her ma-d in the flow tradefield when the tender is back out, to "reweithed." tendedized when the the tenderfoot when a failed is the flow that if he double other is back out, to "reweithed." the initia-ater that him flow if he doubled there with the methed is an a material and the methed is back out, to "reweithed." tendedized is back out, to "reweithed." the band is methed in the initial start who had the mention is the material who had the mention is the methed who had the mention is the start of the start. A Cannet for the start of the start of the start. Pendleton Tribune is such a remarkable

A CARRIER PARTY -D A Lonard, a "B-to-do and phonest farmer of the Walds hills, had a threatend delivered on from his how one threaten used and it could be how one threaten used and it could be how the transition of the page 2000 from the bank at Streaten to is question that the bank at Silverion to have some improvements much of the farm in the way of tilling. Its rade to Silverion and draw 4000, which he barrowed is constructed with 1400 he barrowed is the money. He fold that can with the roll of money is the poster hanging in the sitting room, and retired for the right with no thought of any one molest-ing it, but to bis surprise it was gone in an adjoining farm, though Mr Lecon-ard did not see the. This contheman had a story about his sister similar to that by which Mr Iones of Gervalis was duped, and some of Mr Leconard's neigh-hors think it is the same man and has the store, this way it is no accuse him nor ins he his suspiction on any one, but he says it is a dark mystery to him.—Jour-mal.

A SEX FLOWER OF A WITE,—JONAS Kurzkant, a German farmer of venerable age, flying in Chekgmas county, says the Courier, had lost his vrow. He needed a new wife but did not want any of "dem American womens." Nein, das failt mir-oleht ein. In the fail the old man there-fore hires a neighbor to plow and look after his stock and takes the express train for New York. He crosses the Atlantic. for building 25 office of ramoun. If 0.6 19 go toward the Harrey Valley, and a raft-for harrey Valley, and a raft-for harrey Valley, and a raft-for New York. He crosses the Atlantic, for New York. He crosses the Atlantic, for New York, He crosses the Atlantic, for his native village. 'I goes direct to the minister,'' said Jonas, as he puffed his meersham, 'mut says, 'Herr Pharrey, I wannisa vrow, 'He save, 'You koom back in swei tays not I will see vhat I can be has a vrow, a grass vidder, only 30 years oft, py binned'. I goes straight to where she was hordin' de bags in de says he has a vrow, a grass vidder, only 30 years oft, py binned'. I goes straight to where she was herdin' de bags in de battere unt says. 'I vant a wooman to alleged censas reterns, but we notice a large number of the citizens of those boom two here y the interest, falling due on empty

Will yet sit on the frace and see several fameral processions go by. A RAMEROAD CONTRACTOR.—G V Ster-rens, for several years superintembent of construction, on the Oregon Pacific is in the city, after a trip to Idaho and Mon-mana, but recently in Porthand. Mr Stevens has the contract for extending indices, where it will connect with the main line, and will begin business in a short time. The Southern Pacific is for tunate in scearing so experienced a man UNCONSTITUTION.

OUR POPULATION.—Business is often an indication of the population of a city. Judging from the number who rush into Conn & Hendricson's for groceries Ab-lany is the largest city in the valley. This time keeps a first-class stock of gro-ceries and fresh produce, a fact generally appreciated by a large trade. For ber-ries, fruits, vegetables, canned goods, to-bacco, crackory ware, etc., call on them and get bargains.

A BIG VAUERC .- It is always a priv

OARVILLE.

The farmers are busy cutting their oring grain. Mr Stockton has threshed his fall grain portion of which averaged 50 bushels o the acre.

Mr W H Pugh is building a large barn. At the raising last Saturday both carpen-ters, Williamson and Holstien, were ac-cidentally hurt. The former had his foot mashed by a sledge falling on it; the sledge was loose on the handle; Mr Junkin was using it on the top of the frame when it flew off the handle with the above result. Mr W, will be laid up for some time. This should teach men not to work with tools loose on the handle. Mr Holstien was working with an adz, using it for a hammer; his work was above him and in bringing the adz back he struck his shoulder with the edge, making an ugly wound. As there was no surgeon on the grounds, a young man who was handy with a sack needle sewed up the cut and Mr H was able to go to work again. Mr W H Pagh is building a large barn.
