

OBITUARY.

Died at Tangent, Linn county, Oregon, August 26th, 1890, of diphtheria, Roy Brewer, son of Mrs. B. A. Witzel, aged 9 years. God sent this precious child on earth to comfort his loving parents. He was the joy of his mother's heart and the sunlight of her home. It was hard to give the dear one up, but God thought best to take him to the home of the good in heaven, ere the sorrows and conflicts of this life marred the unfolding of the full grown flower. He is now a bright and shining angel, and will be waiting at the beautiful gate to welcome his dear mother home. He has already gone to meet his own dear father in heaven. May God comfort the bereaved ones and help them so to live that they may meet the precious one in the sweet bye and bye, and therefore be it.

Resolved, that we extend our heartfelt sympathy to the bereaved ones in this their sad affliction.

We had a little darling
Who came to us one day,
And made us very happy.
For we thought he had come to stay.

But we were sadly disappointed,
When only nine years had past
An angel came and claimed him
And took him home to rest.

But we must be submissive,
To what the Lord has done,
Although he in his wisdom
Has taken our darling one.

Yet we loved thee, little Roy,
As dearly as before;
We yielded thee to Jesus,
To dwell forever more.

Then rest, loved one, serenely rest,
In that blest home above,
Where death and sorrow e'er molest,
Where all is peace and love.

LEBANON.—ER Skipworth, an attorney of Eugene, after sipping the water at Solaville pronounced it more efficacious in his case than any medicine he has ever taken.

A fire occurred on the farm of J. M. Settle, one and one-half miles north of town, last Saturday, by which a barn and all its contents were destroyed.

Dr. Foley shipped to New York and Baltimore ten thousands pounds of chittum lark Wednesday. The Dr. has shipped about seventy-two thousand pounds of this lark during the season.

The little son of S. W. Moore was taken to the office of Dr. Lamberson on Tuesday to have a grain of wheat dislodged from the ear. Ether was administered, and Dr. Lamberson and Booth soon brought the offending kernel to light. The little fellow had been a sufferer from this cause about a year.

A man and family arrived in Lebanon Wednesday from Dakota. They came by wagon, and were six weeks on the road. The gentleman says he heard before turning his back upon the blizzard that Lebanon was the liveliest town on the coast, and, like the Queen of Sheba, he declares that the half had not been told him. He had not been in town two hours before he was confronted by two men who wanted his services at double the wages paid in Dakota.—Express.
