## TELEGRAPHIC NEWS

### A Democratic Convention.

HELENA, Mont., Sept. 15.—The democratic state convention here to day was the most enthusiastic ever held in the state. A full representation of delegates was present. Hon T. E. Collins, of Great Falls, presided. There was only one candidate for congress, Hon W. W. Dixon, of Butte. The convention was thoroughly united on this choice and when his acceptance was received the scene following was almost beyond description. Delegates rose from their seats and yelled for fully twenty minutes. Speeches were made by Hon W. A. Clark and Martin Maginnis, the democratic senators elected last winter.

### A Counterfeit Decision.

SAN FRANCISCO, Sept. 15.—United States Commissioner Sawyer to day decided in the case of John J. Brown, charged with sweating \$20 gold pieces, that under the United States statutes he could not be convicted. The state provides for punishment of persons mutilating or lightening coin, but not for punishment of persons having such coin in their possession, or passing it. Brown's method was to place \$20 gold pieces in an electric bath and by rapid chemical action extract about twenty grains of gold from each coin. The coins were not mutilated and their lightness could only be detected by experts. Under this decision any one can pass sweated coins without fear of prosecution.

### Records Broken.

PROKIA, Ill. Sept. 15.—Smith and Murphy of the New York Athletic Club, broke the world's amateur mile tandem record this afternoon. The record was 2:33. They made the half in 1:13 1-5, and the mile in 2:27. The world's five mile amateur record was broken by Rich and the same club. The English record was 13:57 4-5, 14:07. Rich made it in 12:51 1-5. The one mile world's record was broken by Windle. The record was 2:28 3/4 on solid tire, and 2:26 4-5 on pneumatic tire. Windle made it in 2:25 1/4 on solid tire. Berio broke the safety world's record for a mile, England's solid tire record was 2:34 1-5 and America's two seconds lower. The pneumatic record was 2:32 3/4, and Berio smashed them all doing the distance in 2:30.

### An Oregon Pioneer Dead.

SALEM, Sept. 15.—W. B. Culver, who was stricken with paralysis Monday last, died at his home, six miles east of Salem, yesterday afternoon. He was aged 67 and came West from Ohio in 1852. He was in the legislature in 1886.

### A Horrible Sight.

NEW YORK, Sept. 15.—The crowd of people who attended the play at the Park theater to night were treated to a horrible spectacle when leaving. Lineman Koop had gone up a pole in front of the theater to fix an electric light, and in some way received the deadly current. He lay limp across the wires, while the awful smell of electricity burning the flesh could be heard below. He was removed as soon as possible and taken to the hospital, where he died.
