

BROWNSVILLE.

September 29, 1890.

It is still quite dry. Wells and springs are going dry. So much so that Fred Hancock has been obliged to drive his stock to town to get water from the mill race.

Rev B F Bonnell, of the Christian church, is holding meetings in the city hall, in this city. After preaching, one evening, all repaired to the river and three young ladies were baptised by moonlight. We hear the same is to be done tonight and Myrtle McKinley baptised.

One by one our neighbors are crossing the dark river, to that undiscovered land from whose borne no traveler returns. Last Friday morning Mrs George War-mouth died of consumption. She was a daughter of John W Tyeer, who died two and a half years ago. Thus we are called upon to mourn the loss of a truly good woman. May she rest in peace.

We saw Joe P Galbraith and Ed Moyer, of your city, on our streets last Sunday.

Mr John Vennun expects his family here from Missouri this week.

Henry Windom arrived last week from Haystack, and reports things quite dry up there.

The N. G. railroad, while under going the change to standard gauge, is all out of gear. It arrives here, going south, at midnight, and anyone coming from Albany to this place must lay over at the junction some six or seven hours, and there is no accommodations at the junction, only as one accepts the hospitality of those near the place, it is very inconvenient, yet we live in hopes of a better time when it is changed to standard gauge.

G W Simpson has received his fall stock of stockinette and salet jackets and three quarter salet cloaks, and have a complete assortment of all the latest styles.

Satisfactory Results.

About four years ago my attention was called to Dr Hiller's Cough Cure, since which time I have used it with old and young with the most satisfactory results. In fact I keep it always on hand. R J Trumbull, of Trumbull & Beebe, Seedsmen and Nurserymen, San Francisco, Cal. For sale at Foshay & Mason's.

Pronounced Hopeless, Yet Saved.

From a letter written by Mr. Ada E Hurd of Groton, S D, we quote: "Was taken with a bad cold, which settled on my lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." Trial bottles free at Foshay & Mason's drug store, regular size, 50c and \$1.

Euppepy.

This is what you ought to have, in fact you must have it, to enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and out the demon Dyspepsia and install instead Euppepy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50c and \$1 per bottle by Foshay & Mason, druggists.

When wanting to see how you look in a permanent form, get a photograph of yourself of Wilson & Conn, who are doing some fine work in the business.
