

BROWNSVILLE

The rain has come and the tenderfoot looks on in wonder to see what will be next, while the web-foot wears a broad smile of satisfaction and is in good cheer. The dust and smoke have alike disappeared and the air is pure and sweet.

School at this place is progressing nicely and the enrollment is on the increase. There are now 148 pupils with prospects of enough more to open the fourth room soon.

The little child of J C Goodrich died on last Saturday night and was buried in the cemetery east of town.

Our miners are all on the stir. Some have gone and others are going this week to work on their several claims, in expectation of active operations in the spring, when mills will be put in operation.

We hear that the E W M Co have bought out the Albany Co's shares in the mills here.

John H Waters and wife and the family of Hon J B R Morelock left this morning for Seattle, to join the folks already there.

B F Childs arrived here from near Prineville, with 1500 head of sheep one day last week. They are mutton sheep mostly.

Henry Windom intends leaving this week for his home in Eastern Oregon. He will go by team over the Santiam route.

A goodly number of our people have already gone and others are going to the great exposition at Portland.

Miss Maggie Dunn, of this place, is teaching school in the Warren District, No 28. Also Earnest Ross is teaching in the Powell District. We like to see young people start out in the right direction with energy and push, as these are doing.

BETTER THAN GOVERNMENT BONDS.
The ordinary living expense of a family of five persons, in the customary manner of American people, amounts to not less than \$1500 per year. It would require nearly \$40,000 in Government Bonds to produce this income. Ten acres of land in the Willamette valley planted to prunes, with an ordinary crop at ordinary prices will net more than \$1500, after paying for all labor placed thereon. You can buy this land of The Oregon Land Company of Salem, in tracts of ten acres or more at from \$55 to \$75 per acre. Address The Oregon Land Company, Salem, Oregon.

Eupespy.
This is what you ought to have, in fact you must have it, to enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and out the demon Dyspepsia and install instead Eupespy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50c and \$1 per bottle by Foshay & Mason, druggists.

When wanting to see how you look in a permanent form, get a photograph of yourself of Wilcox & Conn, who are doing some fine work in the business.

The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the excretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. HENLEY'S
Engle's Dandelion Tonic
exerts a specific influence over the liver, excites its healthy action, resolves its chronic engorgements, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.
