

DAILY DEMOCRAT.

A Pendleton man, says the E. O., who lately returned with his wife from a visit to Portland and the exposition, is a trifle disgusted, to draw it mildly. He is not a stingy man nor even economical as the word goes, but after himself and better half had eaten a little chicken and drank some coffee for breakfast in a high-toned metropolitan restaurant, one could have knocked him down with an under-sized molecule when he found that his bill was \$2.40.

Pronounced Hopeless, Yet Saved.

From a letter written by Mr. Ad E. Hard of Grand, S. D. we quote: "Was taken with a bad cold, which settled on my lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." Trial bottles free at Foshay & Mason's drug store, regular size, 50c and \$1.

The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of its accompanying horrors.

DR. HENLEY'S

English Dandelion Tonic exerts a specific influence over the liver, excites its healthy action, resolves its chronic engorgements, and removes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.
