Royal Baking Powder

ABSOLUTELY PURE

Epoch.
The transition from long, lingering and
painful sickness to robust health marks an
epoch in the life of the individual. Such a
remarkable event is treasured in the
memory and the agency whereby the
good health has been attained is gratefully
blessed. Hence it is that so much is heard
in praise of Electric Bitters. So many
feel they owe their restoration to health to
the use of the great alterative and tonic.
If you are troubled with any disease of
kidneys, liver or stomach, of long or short
standing, you will surely find relief by use
of Electric Bitters. Sold at 50c and \$1
per bottle at Foshay & Mason's Drug
store.

THE REASON.
And yet this position is not so strange either,
when we remember that under the Mills
bill, for which every Democrat in the house
voted, the duty on sugar above No 16 was
very much higher than it is to be under the
new bill. The Mills bill provided that all sug-
ars from No 16 to No 20 should pay 2.40
cents a pound, and above No 20 they should
pay 2.80 cents. There is a wide margin be-
tween 2.40 cents and 0.60 cents, and yet the
latter is the rate of the party of protection,
the former the rate of the party of free trade.

"THE KING'S TOUCH"
In England, two centuries ago, popular im-
agination credited the "Royal Touch" with
curing scrofula. These superstitious prac-
tices have now become obsolete, and in their
place we have a scientific remedy in Dr.
Pierce's Golden Medical Discovery, which
eliminates the impurities from the blood by
the natural channels, thereby cleansing the
system from all taints and impurities from
whatever cause arising. It is truly a royal
remedy, world-famed and the only liver, lung
and blood remedy guaranteed to benefit or
cure in every case, or money paid for it will
be refunded. As a regulator of the Stomach,
Liver and Bowels, "Golden Medical Discovery"
cures all bilious attacks, indigestion and
Dyspepsia, Chronic Diarrhea and kindred ail-
ments. As an alterative, or blood-purifier,
it maintains its marvellous properties in the
cure of the worst Skin and Scap Diseases,
Salt-rheum, Tetter, Eczema, and Scrofulous
sores and Swellings, as well as Lung-scrofula,
commonly known as Pulmonary Consumption.
If taken in time and given a fair trial,

TELEGRAPHIC NEWS

Two Deserters.
BUTTE, Oct. 16.—Two colored soldiers de-
serted from Fort Shaw last night. Before
leaving the garrison they helped themselves to
two horses belonging to Mr Roach, a govern-
ment scout. Roach pursued the deserters,
and captured them near Hardy station, six
miles from Cascade, and struck back with
them. They offered no resistance when ar-
rested, but while being led along the road one
of them suddenly jumped aside, pulled a revolver
and shot Roach in the abdomen. The
scout who was armed with a shotgun, immedi-
ately returned the murderous fire and shot his
assassin dead. The other deserter escaped to
the hills wounded, on one of the stolen horses.
Roach's wound is not dangerous.

A Big Demand.
NEW YORK, Oct. 16.—At a late hour this
afternoon Mayor Grant sent a letter to Super-
intendent of Census Porter, demanding an
official account. The letter was accompanied
by statements and labels showing the results of
the police census.

Gresham the Reported Successor.
NEW YORK, Oct. 16.—The Sun and Journal
have a report from Washington that the
president will appoint Gresham to the supreme
court in order to remove political competitors.
Oregon's Census.

WASHINGTON, Oct. 16.—The census office
expects to announce the tabulated returns for
Oregon in a day or two. The Salem returns
have been accepted previously as they were re-
ceived from the recount. The office has tes-
timony that a large number of hop-pickers
temporarily visiting Salem were included in the
re-enumeration. There is an entire disproportion
of the laboring class to the balance of the
population, but the bureau consider that there
is not sufficient evidence of improper enumera-
tion to warrant any entree being thrown out.

Chief of Police Appointed.
NEW ORLEANS, Oct. 16.—Chief of Police
Hennessy, who was shot at his own doorway
last night by an unknown assassin, died this
morning. The assassin has not yet been ap-
prehended.
