

TEMPERANCE COLUMN.

Edited by Albany W. C. T. U.

An order has been issued by the superintendent of the Chicago, Milwaukee & St. Paul railroad, forbidding the sale of intoxicating liquors in railroad hotels located on the company's property.

Mr. S. F. Hershey says in a recent article: "Woman lives longer than man, goes insane less numerously, commits suicide one-third as often, makes one-tenth the demand on the public purse for support in jails, prisons and almshouses, and in every regard manifests potentially above that of man."

The editor of the New York Independent has interviewed, by letter, seventy railroad superintendents, who testify, almost without exception, that total abstinence is required of all employees. In most cases the prohibition applies "either while on or off duty." Smoking is also prohibited among the men while on duty by some of the companies.

Mrs. Mary Clement Leavitt, in her last letter to the Union Signal, makes a most earnest plea for signatures to the world's petition. She writes as follows: "There ought to be a million, nay, five million, signatures in the United States. There were, some years ago, six millions of women in the Christian church in the United States. Why not, then, at least five million signatures?"

"I know you are busy. I know what it is to snatch an hour from a day crowded full of home duties, to do a bit of temperance work. I know what it is to be obliged to neglect some things of importance to accomplish something of greater moment. As in the sight of God I ask you to take up this work at once, and do it thoroughly, that the result will be all that we hope. And now I shall not speak or write of it more to my American sisters."

The best makes are to be found in Albany at Price & Robson's, who have just received a carload of the finest hacks and buggies to be found. Their prices, considering quality, are remarkably low. THE CRY OF MILLIONS!

OH, MY BACK! STOP IT NOW, SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over, and I was almost impossible for me to get up alone, or to put on my clothes, while I was in this condition I was told to try Chamberlain's Kidney Tea, to my relief I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I was happy to state that I was a new man. I will recommend the tea to all afflicted as I have been.
