

ERRATIC.

The Brownsville Times is very erratic. There is no such thing as confining it to an issue of its own creation. It set out some time ago in a very rash way by saying that the north part of the county was taxing the south part of the county more than its due proportion of taxes.

The Democrat says: "If the court has neglected to repair bridges in the southern part of the county, upon them must rest the blame." Here we call upon our Crawfordville correspondent to testify and challenge the Democrat to refute the testimony.

The ONLY place in the county where East ern tickets can be purchased is at W. L. Jester, at the Southern Pacific Co's ticket office.
