DAILY DEMOCRAT.

TEMPERANCE COLUMN.

Edited by Albany W. C. T. U.

The ideal citizen is the man who believes that all men are brothers and the nation is merely an extension of his family, to be loved, respected and cared for accordingly.—John Habberton in Civics.

One of our lecturers, who has been working in the Nebraska campaign, says that never before has she seen so many white ribbons in men's vests and lapels as were visible there. She considers it a symptom that the men are making common cause with the women in this fight.

The Japanese government sent a commission to England to study the work of the Church of England with a view to making it the state church of Japan. An adverse report was made because "Christianity had not saved England from becoming a drunken nation."

The Illinois W C T U now has a membership of over fourteen thousand, having added over twelve hundred new members during the past year. $67,000 have been expended in local work and fifteen hundred thousand pages of literature distributed. There are 25,000 children in the Loyal Temperance legions.

Mrs L M N Stevens, president of the Maine W C T U, is one of the two lady managers of the World's Fair chosen rom her state.

Eupepsy.

This is what you ought to have, n fact you must have it, to enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according directions and the use persisted in, will bring you good digestion and oust the demon Dyspepsia and install instead Eupepsy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50c and $1 per bottle by Foshay & Mason, druggists.

The community of this city may well congratulate itself upon so important an event in its amusement history, as the appearance of America's foremost emotional actress, famous Clara Morris. The name is a household word and everybody will want to see her and her excellent company.

THE CRY OF MILLIONS!

OH, MY BACK!

STOP IT NOW,

SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Healey, with the OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.
