

MISSIS.

Miss Helen Parepa, of the Liberator organization, stated to a Telegram representative that next spring she purposes heading one of the most accomplished concert companies, with whom she intends to visit this city long before the people flock to the seashore.

The Oregon Board of Information has disbanded. That is the slab that tried several times to get Albany to pay \$50 a month for an exhibit and the Board's influence in sending immigrants here. The city did not wake up to the importance of the move.

Two wagon loads of wormy Linn county apples retailed on our streets this week at \$2 a bushel, says the Princeton News, evidently intending to be sarcastic.

Horace Greeley's daughter says: "When a man is so stingy as to borrow a newspaper when he is able to buy, he will talk through his nose to save his teeth."

THE DUDE GOES.—Advertising, do wonders. It has most effectively banished the dude from the United States. It has also helped to build up a live grocery business for Conn & Henderson, of this city, where high prices are unknown. They keep a fine line of groceries, produce, etc., and doing their own work, sell at bottom prices, as can easily be learned by pricing their goods.

THE CRY OF MILLIONS!

OH, MY BACK! STOP IT NOW. SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over to get up, or to put on my clothes, when kind Providence sent Dr. Henley, with OREGON KIDNEY TIA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.
