Royal Baking Powder

ABSOLUTELY PURE

Pronounced Hopeless, Yet Saved.
From a letter written by Mr. Ada E Hurd of Groton, S. D. we quote: "Was taken with a bad cold, which settled on my Lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr King's New Discoverery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." KISSES.

A prominent physician calls the kiss "an elegant disseminator of disease." He says, "fever is spread by it, so are lung diseases." Out upon the snarled and tangled varabond! Evidently kisses are not to be had, and the old fox says the grapes are not to be had. Let him devote himself to making a healthy and blooming that kisses may be had. This can surely be done by the use of Dr. Pierce's Favorite Prescription, which is simply magical in curing diseases peculiar to females. After taking it for a reasonable length of time there will be no more irregularity, backache, bearing-down sensations, nervous prostration, general debility and kindred ailments. It is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money refunded. A book of 100 pages on "Woman and Her Diseases, and their self-cure," sent, post-paid, to any address securely sealed in a plain envelope, on receipt of ten cents in stamps. Address, WORLD'S DISPENSARY MEDICAL ASSOCIATION, 651 Main Street, Buffalo, N. Y.

Symptoms of Consumption.
William J. Sharples, Post Office, Morris county, N. J., writes:
"My business is that of sharpening mine drills, and I am much exposed to smoke and gas. About three years ago I began to have a bad cough, with considerable indigestion and nausea in my chest. My physician told me I had symptoms of consumption. By the advice of my father, an old friend of Bradstreet's Pills, I commenced using that valuable remedy. By the time I had got through the second box I began to pass a very disagreeable humor or pus. I began to improve very rapidly after this, and grew stronger and better every day. My cough is now well. I sleep well at night and have no more indigestion."
