LOCAL RECORD.

DEMOCRATIC CITY CONVENTION.

A mass meeting of the democratic voters of the city of Albany, will be held in the Circuit Court room, at the court house, on Saturday evening, Nov. 22, 1890, at 7 o'clock, for the purpose of nominating candidates for marshal and Treasurer, to be voted for at the regular annual city election, to be held on Monday, Dec. 1, 1890.

WARD MEETINGS.

The committee would recommend that Ward meetings be held on Friday evening, Nov. 28, 1890, at 7 o'clock, at the following places:

FIRST WARD: In the Circuit Court room at the court house.

SECOND WARD: In the County Court room at the court house.

THIRD WARD: At the office of the Albany Farmer's Co.

Each Ward will nominate one candidate for the City Council, and select a person as member of the Central committee, to serve during the ensuing year.

C. H. STEWART, JOHN CLEMAN, City Central Committee.

A WONDERFUL VALLEY.—This valley is undoubtedly destined to be the center of attraction for immigrants. It possesses features, natural and established, which commends it to the people of the world. Those who visit it are astonished at its advantages. For climate, fertility of soil and general natural advantages it is unsurpassed in the world. The scenery is remarkable at Albany. The Three Sisters, Mt. Jefferson, and Mt. Hood, all snow-capped, may be seen on clear days, and Mary's Peak is not without her attractions, while our foot-hills loom up with pleasing familiarity.

A COMPLETE ONE.—One of the new Pasteur filters was displayed in the front window of Smith & Senders to day. It is undoubtedly the most perfect filter ever made, being absolutely germ proof. Water run through it is pure in every drop. The filter is a beautiful piece of furniture, and in Albany particularly, where our hydrant water is very uncertain as to quality it should attract attention. One only needs to see this filter to be convinced of its superiority to all others.

IN FAVOR OF WOMEN.—The members of the M. E. Church all over the United States have been voting on the question of whether women shall be admitted as lay delegates to the general conference, only members twenty-one years of age and over voting. A vote was taken last evening at a meeting of the church in this city, resulting in 29 being cast in favor of admitting women and 12 against.

WHAT FOR.—Mr. Thayer, the son of the president of a large Eastern railroad, and a railroad man himself, was in the city yesterday, coming here on purpose to get a look at the map of the Albany & Astoria R. R. survey; but of course he failed to get a view of it, as such maps are never exhibited. He went to San Francisco on the overland.

A FRUIT ORCHARD.—Mr. H. Klum, of Waterloo, was in the city today. Mr. Klum moved to that city and is now engaged in setting out 3000 fruit trees for Weatherford & Kay, of this city and Salem, who will soon have one of the finest fruit orchards in the valley. It will consist of a variety of trees, but most prunes.

THE CHAMPION COW.—Jos Wood, of Woods, Oregon, has the champion eating cow in the United States. While camped in Mr. Wood's camp ground this cow broke into a store tent and devoured the following articles: One bushel of potatoes, one and one-half bushels of oats, twenty pounds of beans, three pounds of dried peaches, twenty pounds of flour, six pounds of rice and five pounds of sugar.

THE MARKETS.—Wheat is now quoted in this city at 62 1/2 cents, with a lower tendency. Oats, governed by local markets mostly, are going the other way. 45 cents is paid for them in bulk and 52 cents sacked. Fortunate is the man with a big oat crop.

B & L.A.—The Albany Building and Loan Association meet to-night at the office of the Oregon Bank at 7:30 o'clock. About the usual amount will be offered for loaning.

THANKSGIVING FOWLS.—Nice fat turkeys and fat, tame ducks for Thanksgiving at Conn & Hendrickson's. Leave your order right away and then you will not be disappointed in getting your supply for that day.

IN THE CIRCUIT COURT.—The following two suits have been brought in the Circuit Court of Linn county recently: E. J. Daly against M. Alexander, for damages, A. T. Gilbert and F. M. Gilbert against P. Blewett, to recover money.

NEW CARPETS, new carpets, new carpets and new styles, latest patterns, the best in the market, just received at A. B. Mellwain's. The stock is large and choice, selected for this market, and people wanting the best carpets at the lowest prices should call and inspect his splendid stock. It was bought low and will be sold low.

DON'T RUN AROUND.—Every steamer however foggy the bar, brings to Albany an immense quantity of fruits and produce. The best and largest variety always goes to Powell & Co's. Their stands are always full of just such things as the public wants. Save running around by calling at their store first.

ONE HUNDRED WAGONS just received, which I am going to give away free, one with each can of Forest City Baking Powder. Come early. C. E. BROWNELL.

CONTINUES POOR.—The mail service at Yaquina Bay is evidently as bad as ever judging from the following from the Gazette:

The people of Newport are suffering great inconvenience from the inefficiency of the mail service between that city and Yaquina Bay over which route almost all their mail is carried. A non-resident secured the contract for carrying the mails between the places named at a figure much below what it is actually worth. The result is that the work was poorly performed from the beginning, and recently the contractor failed to provide any means for the transit of mails, since which time postmaster A. H. Hammon has performed the service as best he could. It now appears that the master of the steamer J. M. Richardson offers to carry the mail on schedule time for \$400 per year.

CAMERON BEATEN.—The Walla Walla Statesman says: "The sporting fraternity, of Walla Walla, will remember young Gray, of Colfax, who came to Walla Walla last June to enter in a running race with Ben Wingard, of this city, and Mr. Cameron, short distance champion of Oregon. On account of the race not filling it was declared 'off.' On Saturday, at Colfax, young Gray beat the world's record for 125 yards. His contestant was Cameron. The race is thus described: The match was for 125 yards and \$250 a side. Gray won by six feet, in the remarkable time of 11 1/2 seconds, although he sprained his ankle about ten feet from the finish. The race was one of the prettiest ever seen in Colfax, and the sports are most enthusiastic. This time, as it stands, beats the world's record for 125 yards. It is safe to say the time was not correctly kept, for it would make Cameron's time 12 seconds or less, and any one knowing him will say he is no such sprinter."

MAKING A TRAIL.—A company left Sweet Home yesterday for Whitcomb, a postoffice in the Big Bottom country, to make a trail from there to the Quartzville mines. The party from here consisted of A. F. Hamilton, Mr. Hamilton, D. W. Rumbach, Herman Kechn, Gus Kinzer and T. B. Lewis. They will be met at Whitcomb by G. B. Whitcomb, D. T. Litsinger, Mr. Bone, Mr. Carroll and some others. John Donaca and Mr. Eney and some others will go up Thursday to help. As the mines are on this prong of the Santiam river, with a trail from here they can pass in and out of the mines any time during the season with pack animals or on foot, so I am told. There is now a good trail from Sweet Home to Whitcomb and a weekly mail at present.—Cor. Express.

LEBANON.—Jas. Munsey has bought into a saloon in Albany.

We learn that the wife of J. K. Charlton is greatly improved in health.

Several wells have gone dry lately and the Santiam is lower than it has been for many years, says one of our citizens.

E. B. Crouch is now happy in anticipation of a free ride and a box of Havannas. Mr. Crouch wagered a box of cigars with Judge Miller last spring that there would be one hundred houses built in Lebanon in 1890. Already one hundred and five buildings have been erected.—Express.

THE CHAMPION PEACH TREE.—H. S. Horton, a Benton county farmer and fruit grower who has been in Pendleton for several weeks past, claims the champion peach tree of Oregon. It was started in the orchard from a slip five years ago. The third year a bushel of fine peaches were gathered, the fourth two bushels and a half, and this year the limbs were loaded down with the fruit, it being necessary to prop them.—Pendleton E. O.

SOME MONEY LOST.—Last evening while collecting some freight bills J. F. Hall, in some manner, lost \$15, in two bills, just where or how he does not know. Any merchant or other person having found them would confer a great favor by restoring the money to the loser.

A \$70 Music Box, given away Jan. 1st. With every dollar worth of goods you buy you get a ticket on the box.

J. A. CEMMING.

THEY HAVE COME.—A large and elegant assortment of suitings, never surpassed in Albany, and can be seen at W. R. Graham's. The designs are very pleasing and will suit the most fastidious. Mr. Graham appreciating the desire here for stylish goods in elegant patterns has taken extra pains to bring on a stock of such suitings as will meet with general favor. If you would see the best stock of goods in this line ever brought to Albany call at the tailor shop of W. R. Graham.

NO DANGER.—No one can ever be wrecked financially who buys their groceries of Parker Bros. You are sure of good quality, low prices and first class treatment. Their stock is always up with the market, consisting of the freshest vegetables and best groceries to be found. Their bakery department is in splendid hands, and their baked goods can always be relied on.

EVERYBODY SAYS SO.—If the wild javes could talk they would say, "Go to Powell & Co's for groceries and produce, for their stock is large, their prices low and quality the best." This is the universal verdict of their customers.

WALL PAPER.—I have just received from the East a large lot of wall paper, borders, decorations, etc., including the plain graineds which are becoming very popular. These goods are better styles and cheaper than ever before.

MRS. C. D. STUART. Mrs. C. D. Stuart, of 400 Hayes St., writes, "I have for years had spells of indigestion and dyspepsia, and tried nearly everything. Finally I took a well known Sarsaparilla. It caused pimples to break out on my face without helping me. Hearing that Joy's Vegetable Sarsaparilla did not contain mineral, and might act differently, I sent for it. The pimples disappeared immediately, and I had no more returns of the old 'wells.' Although the above was written a year ago, Mrs. Stuart now attests the permanency of its effects. Says she takes an occasional dose to suppress a symptom of return and that she has perfect command over her old troubles."

HEADQUARTERS FOR

Are Dr. Darrin's Cures Permanent.

This question is often asked, as many of the cures are done so quickly. "That they are permanent no one will attempt to deny, after reading the following list of names our reporter met at Dr. Darrin's office, who had been cured two or three years ago.

Mr. William Parrott, of Middleton, Or, was almost totally deaf for years, cured two years ago. Rev. M. M. Bashor, of Brooks, Or, cured of nasal and throat catarrh three years ago. Mrs. F. A. Morris, Newberg, Or, says she is cured of asthma and bronchitis of ten years' standing. She was cured three years ago. Wm. M. Colwell, Skamokawa, Wash, sciatic rheumatism and liver complaint, restored to health; also his brother, Geo. L. Colwell, Skamokawa, Wash, was cured of a number of the arm two years since. Mrs. E. Ahlf, 190 North Fourteenth street, Portland, cured three years ago, after nine doctors had failed, of painful menstruation and womb trouble in every conceivable way, general debility, pain through the heart and lungs. Hundreds of other patients could be named had we space to publish them.

The doctors are crowded with patients from 10 a. m. to 8 p. m. Drs. Darrin are no doubt the hardest worked men in Portland. The doctors have a large country practice and send their electric remedies to anyone desiring home treatment for any curable chronic, acute or private diseases, which are kept strictly confidential.
