

NEED CLEANING OUT.—Albany's alleys are in just about the condition of those of Walla Walla. The Statesman says: "Al Lowe, the ubiquitous drayman, thinks seriously of petitioning the city council to widen the alleys of this city. He states that there is one of two things, viz: he will either have to hire a new driver or compel the council to make a radical change in streets and alleys. It is very probable the council will recognize his demands."

Buggies and Hacks.

The best makes are to be found in Albany at Price & Robson's, who have just received a carload of the finest hacks and buggies to be found. Their prices, considering quality, are remarkably low. It pays to ride in a good buggy or hack. Keep this fact in your head and when getting one call on Price & Robson, who have the largest variety to select from.

The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. HENLEY'S English Dandelion Tonic

exerts a special influence over the liver, excites its healthy action, resolves its chronic engorgements, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.
