So confident are the manufacturers of Dr. Sage's Catarrh Remedy in their ability to cure Chronic Catarrh in the Head, no matter how bad or how long standing, that they offer in good faith, the above reward, for a case which they cannot cure.

SYMPTOMS OF CATARRH.

Headache, obstruction of nose, discharges falling into throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and difficult; eyes weak, ringing in ears, deafness, and difficulty of clearing throat, expectoration of offensive matter; breath offensive; small and taste impaired, and general debility. Only a few of these symptoms likely to be present at once. Thousands of cases result in consumption, and end in the grave.

By its mild, soothing, antiseptic, cleansing and healing properties, Dr. Sage's Remedy cures the worst cases. "Cold in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. Symptoms of Consumption.
William J. Sharples, Post Oram, Morris county, N. J., writes:
"My business is that of sharpening mine drills, and I am much exposed to smoke and gas. About three years ago I began to have a bad cough, with considerable phlegm and pains in my chest. My physician told me I had symptoms of consumption. By the advice of my father, an old friend of Braden's Pills, I commenced using that valuable remedy. By the time I had got through the second box I began to pass a very disagreeable humor or pus. I began to improve very rapidly after this, and grew stronger and better every day. My cough is now well. I sleep well at night and have no more indignation."

TELEGRAPHIC NEWS

Good Bye, Villard.
CHICAGO, Nov. 21.—The Trill one says there is no longer any doubt that the control of the Northern Pacific railway has been wrested from Henry Villard and those associated with him. All reports agree that a combination consisting of the Vanderbilts, Jay Gould, Drexel, Morgan & Co., and John D. and William Rockefeller, of the Standard Oil Company, has secured control of the road. The Standard Oil Company has been absorbing the Northern Pacific stock for some time, and so have Jay Gould and other members of the big syndicate.

A Mob Repulsed.
HUNTINGTON, TENN., Nov. 21.—A mob attacked the city jail at an early hour this morning to get Villard, who a few days ago murdered Constable Koss and nephew. They could not force the inside iron door but succeeded in breaking a hole through it. A man named Coulter climbed through with a revolver and immediately a report was heard, and Coulter said he was shot. Sam Sellers started in to his assistance, when Villard, or one of the other prisoners, shot and probably fatally wounded him. The mob then fled. The sheriff smugled Villard out of town this morning. The people are wild with excitement.

A Big Libel Suit.
COLFAX, Wash., Nov. 21.—The Kitchen libel case against the Commoner is not to be compromised. Sensational developments are very probable. Kitchen announced to-day that he would sue for \$20,000, but for \$40,000 instead of \$20,000, as at first announced. The aggrieved party claims to have lost his position as a drummer for a Portland house worth \$5,000 a year, through the article in the Commoner.

A Peculiar Weapon.
BAKER CITY, Nov. 21.—E. G. Wingham was struck on the head, just above the left eye, with a corkscrew by Eck McCarty, 20 years of age, a waiter in the Lyceum theater, Wednesday night, and died from the result this morning. An autopsy revealed a hole over the inch in circumference in the skull.

Sold for Women.
JACKSONVILLE, Or., Nov. 21.—Yesterday the vote was taken in the Jacksonville M. E. church on the election of W. C. Gen as lay delegate to the general conference, resulting unanimously in favor of it.

A Muscular Man.
MONTREAL, Nov. 21.—Louis Cyr broke the dumb-bell record, putting on 109 pounds, with one hand from the shoulder, twenty-seven against 100 pounds twenty times, the previous record.
