Symptoms of Consumption.
William J. Sharples, Port Oran, Merri county, N. J., writes:
"My business is that of sharpening mine drills, and I am much exposed to smoke and gas. About three years ago I began to have a bad cough, with considerable indigestion and pains in my chest. My physician told me I had symptoms of consumption. By the advice of my father, an old friend of Bradroth's Pills, I commenced using that valuable remedy. By the time I had got through the second box I began to pass a very disagreeable humor or pus. I began to improve very rapidly after this, and grew stronger and better every day. My cough is now well. I sleep well at night and have no more indigestion."

\$500 REWARD

So confident are the manufacturers of Dr. Sage's Catarrh Remedy in their ability to cure Chronic Catarrh in the Head, no matter how bad or of how long standing, that they offer in good faith, the above reward, for a case which they cannot cure.

SYMPTOMS OF CATARRH.
Headache, obstruction of nose, discharge falling into throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; eyes weak, ringing in ears, deafness, difficulty of clearing throat, expectoration of offensive matter; breath offensive; smell and taste impaired, and general debility. Only a few of these symptoms likely to be present at once. Thousands of cases result in consumption, and end in the grave.

By its mild, soothing, antiseptic, cleansing and healing properties, Dr. Sage's Remedy cures the worst cases. "C-O-L-D in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive breath, and impairs of the sense of taste, smell, or hearing, watering or weak eyes, and impaired memory, when caused by the violence of Catarrh, as they all frequently are. Sold by druggists, at fifty cents. Manufactured by **WORLD'S DISPENSARY MEDICAL ASSOCIATION, 623 Main Street, Buffalo, N. Y.**

DR. PIERCE'S PELLETS Purely Vegetable, Laxative, or Cathartic, according to size of dose. By druggists. 25 cents a box.

The unofficial list of the members of the house in the fifty second congress which has been compiled in the office of the clerk of the house is as nearly correct as any list can be until all the certificates are received. Even then it is not likely to be changed as the list has been prepared with care and in nearly every instance from official returns. It is interesting, because for the first time it gives a really definite idea of the political complexion of the next house. It shows that 226 democrats have been elected on a straight ticket the number of republicans being 88. It gives the farmer's alliance a representation of 17, but of this number 12 come from the south and will act with the democratic party, thus swelling the latter's aggregate vote to 238. The democrats majority over the republicans is therefore 138 or 150 counting the 12 alliance men as democrats.

Postmaster General Wanamaker's annual report will show a deficiency this fiscal year of about \$6,000,000. As an excuse for the department being non self-supporting, he said it is burdened with the duty of carrying free mail for all the other departments, besides paper covered books, and "sample newspapers," which latter are really fake advertising sheets, go at legitimate newspaper rates.

He says the railroads should reduce the charge for carrying the mails commensurate with their reduction of 20 per cent made to freight shippers during the last 20 years. This, he says, would effect an annual saving of \$4,500,000. He advocates the adoption of the postal telegraph scheme, but is averse to the reduction of letter postage to 1 cent.

A mortgage was recorded a few days ago on the handsome residence of Postmaster General Wanamaker. It is for \$50,000 and drawn in favor of George T. Crawford. There was a rumor that such a mortgage had been given two weeks ago, but at that time it was denied.
