We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and cast the demon Dyspepsia and install instead Euphony. ### A GREAT PAPER.

Since the remarkable political revolution that took place in the northwest, at the November elections, many democrats on this coast are anxious to secure a reliable democratic paper from that region, in order that they may more closely watch the tendency of public sentiment throughout the northwest. To all such, we have no hesitation in recommending the Chicago Times. The Times is much improved both in point of mechanical make-up and in editorial ability. It is the only straight out democratic paper in that great city. Its great influence may be inferred when the statement is made that Governor-elect Peck, of Wisconsin, admits that the Times contributed more to his election than any other paper. Under its new management it is forging forward in the west as the New York World does in the east. If you want a reliable democratic paper from the west, subscribe for the Times. Send at once for a sample copy.

### Children Saved From Severe Sickness.

Dr. Holden: I notice by the papers that you are placing your valuable Etheral Cough Syrup before the public. It is a charitable act. I have used it in my family for many years, to my satisfaction. I believe it is one of the best in the world. I believe it is one of the best in the world. I believe it is one of the best in the world. I believe it is one of the best in the world.

To preserve apples, spread them on a grating, but not in contact with each other, as one bad apple will spoil the others by starting decay.

### THE GOLDEN RULE BAZAAR.

We wish to call the attention of the public in particular to the Golden Rule prize baking powder and tea, put up expressly for this trade, which gives the best of satisfaction, as is attested by the hundreds who have used both the tea and baking powder ever since introduced by the Golden Rule Bazaar. Each package of tea and one of baking powder draws a prize in the shape of a fine piece of glassware. Be sure to call, when in Albany, at the Golden Rule Bazaar, as you will be sure to find what you want, and will be shown over the store and be treated kindly by my clerk, Mr. Miller. ## TELEGRAPHIC NEWS

### Hunt Attached.

WALLA WALLA, Dec. 23.—G. W. Hunt's financial troubles seem to be thickening in Umatilla county. Every thing he owns, individually, in the county—a half interest in the Hunt Caviness ranch, a town lot and all his real and personal property, have been attached by the sheriff. No property of the company has been attached although his creditors would doubtless like to get a hold on the road-bed if they could.

### A Forerunner.

KILKENNY, Dec. 23.—The official result of the election yesterday fill the vacancy in the house of commons, shows that Hennessy nominee of the anti-Parnellites, is elected. Hennessy's majority is 1146.

Opponents of Parnell are exultant over the result which they consider but a forerunner of a sweeping victory in the coming general election. The Parnellites are greatly cast down and practically conceded the cause of their leader to be hopeless.

### Like Helen's Babies.

ASHLAND, Or., Dec. 23.—"I want to see it go off," said Mary Sonnicksen, a girl of 10 years of age, as she pointed her brother's shotgun toward the door of her home. It went off, the charge lodging in the groin of Johnny Millsap, who, at that instant, opened the door from the outside. This happened last evening. It was thought at the time that no serious results would follow, but this afternoon, it is said, the boy, about 10 years, is not likely to recover.

### Pronounced Hopeless, Yet Saved.

From a letter written by Mr. Ada E. Hurd of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." Trial bottles free at Fosby & Mason's drug store, regular size, 50c and \$1.

### Champion Hurdler.

A Jordan, champion hurdler of America, and holder of the American record for running 120 yards over 3 foot 6 inch hurdles says:

"I have for a great many years used Allcock's Porous Plasters, particularly during the training season. I find that if I am affected in back or joints with any kind of a pain or strain, that Allcock's Porous Plasters instantly afford relief. For pain in the body, the result of a bad cold, nothing can best Allcock's Plasters. I would certainly recommend the plasters to any athlete who is suffering with soreness or stiffness while in training."

### THE CRY OF MILLIONS

OH, MY BACK!  
STOP IT NOW,  
SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over and down it was almost impossible for me to get up alone, or to put on my clothes, while Providence sent Dr. H. E. Taylor, with his OREGON KIDNEY TREATMENT, to my hotel. I immediately commenced using the treatment, and to the surprise of my friends, in a few days I was able to get up, and in a few days I am happy to state that I was a new man. I will recommend the treatment to all afflicted as I have been.
