**Pronounced Hopeless, Yet saved.**  
From a letter written by Mr. Ada E. Hurd  
of Groton, S. D., we quote: "Was taken with  
a bad cold, which settled on my lungs,  
coughed set in and finally terminated in  
Consumption. Four doctors gave me up saying  
I could live but a short time. I gave my-  
self up to my Saviour, determined I could  
not stay with my friends on earth, I would  
meet my absent ones above. My husband  
was advised to get Dr. King's New Discovery  
for Consumption, Coughs and Colds. I  
gave it a trial, took in all eight bottles; it  
has cured me and thank God I am a well and  
happy woman." Trial bottles free at Fos-  
hay & Mason's drug store, regular size, 50c  
and \$1.

**OATS STRAW.**—Loose oats straw for

Or., will open Sept. 1st. J. A. Wesco, the  
leading man of the coast, has become  
a partner in this school and will make it  
the leading business college. Send for a  
catalogue.

**The Road to Wealth**  
Cannot be successfully traveled with-  
out good health. To reach wealth or any  
 coveted position in life requires the full  
possession and operation of all the  
faculties kind nature has endowed us with.  
These conditions cannot exist unless the  
physical being is in perfect working  
order, and this is impossible when the  
stomach and spleen are torpid, thus obstruct-  
ing the circulation, causing indigestion and  
dyspepsia, with all of their accom-  
panying horrors.

**DR. HENLEY'S**  
**English Bantling Tonic**  
exerts a specific influence over the liver,  
excites its healthy action, resolves its  
chronic engorgements, and promotes the  
secretions; cures indigestion and consti-  
pation, sharpens the appetite, tones up  
the entire system, and makes life worth  
living.

**entache and Dyspepsia**  
William E. Rockwell, No 512 West 57th  
Street, New York, says: "I have been a  
sufferer to bilious headache and dyspepsia.  
Any indigestion in diet, overeating or cold,  
brings on a fit of indigestion, to be followed  
by a headache lasting two or three days at a  
time. I think I must have tried over two-  
ty different remedies, which were recom-  
mended as certain cures by loving friends,  
but it was no use. At last I thought I  
would take a simple course of purgation  
with Bantling's Pills. For the first week  
I took two pills every night, then one for  
twenty nights; in that time I gained three  
pounds in weight, and never had an  
ache or pain since." Disease in one part  
of the body will eventually fill the whole  
body with disease. Every year of our tem-  
per of the system grows weaker and begins  
to decay. Such part should be removed at  
once, and new matter be allowed to take its  
place. There's no need of cutting it out  
with a surgeon's scalpel. Purge away the  
old, diseased and worn-out parts with Ban-  
drell's Pills.

**STRICTURE!**  
Permanently cured without cutting, burning or dis-  
tending. A perfectly painless treatment and a guaran-  
teed cure in every case, no matter how long standing.  
This treatment, for Stricture, is the greatest  
discovery known to medicine. It dissolves and  
completely removes the stricture without ampu-  
tion or pain to the patient.

**DISEASES OF MEN!**  
Peculiar to their sex, and not proper to name here,  
including all those delicate infirmities and weak-  
nesses, which they would shrink from disclosing to  
their family physician, permanently cured in less  
time than was ever known to medicine before, by Dr.  
Bosell's "New System of Treatment." It rejuvenates  
the entire urinary organs and restores weak men strong  
and healthy. It is always best to call for personal  
consultation and special examination. But those  
who cannot possibly call, should write, stating their  
case fully. Rehearse sent by mail or express, re-  
solved from exposure, to all parts of the Pacific Coast.  
Address, Wm. A. Bosell, M. D.,  
31 Paul & Spruance, Portland, Oregon,  
Corner First and Pine streets, over Portland  
National Bank.

**TEMPERANCE COLUMN.**

**Dr. Belroth, the great Vienna surgeon,**  
says: "The colossal increase of nerve  
and mind disease in our day is undoubt-  
edly the result, to a great extent, of the  
tobacco and alcohol habit, and the strain-  
ing of the nervous system caused by these  
poisons."

**Mrs. Leavitt formed the first W. C. T. U.**  
in Italy, at Naples, Nov. 23, with five mem-  
bers, all English. Four more were added  
before she left town, with still others in  
prospect.

**Either drinking has become so prevalent**  
in Ireland that the Lord Lieutenant has  
scheduled either as poison, to be sold only  
by qualified chemists. The habit started  
in Droperstown, and claims 73,352 slaves.

**The chairman of the Liquor Laws**  
Commission of South Africa reports pro-  
hibiting liquor laws in the Orange Free  
State, Natal and Bechuanaland. It is  
stated on good authority that the next  
official bulletin of the Congo Free State  
will contain a decree prohibiting the im-  
portation or sale of distilled liquors in the  
whole Congo Territory. The natives  
almost unanimously ask for prohibition.  
They have the idea: one of them says:  
"The sight of the canteen increases the  
desire for drink in the same way that the  
sight of a pretty woman in a show-case  
often induces ladies to buy what they  
otherwise would be contented without."

**THE GOLDEN RULE BAZAAR.**  
Has a large and complete line of  
goods, dolls, doll buggies, boys' wagons,  
vee opeides and many other goods which

every description. China crockery, fancy  
decorated ware, glassware, bird cages,  
plush goods, such as albums, toilet sets,  
autograph books, scrap books, children's  
A. B. C. picture books, and all goods that  
are carried in a Bazaar store, including  
Roger Bros. 1847 silverware. We wish  
to call the attention of the public in par-  
ticular to the Golden Rule baking pow-  
der and tea, put up expressly for this  
trade, which gives the best of satisfac-  
tion, as is attested by the hundreds  
who have used both the tea and baking  
powder ever since introduced by the  
Golden Rule Bazaar. Each package of  
tea and can of baking powder draws a  
prize in the shape of a fine piece of glass-  
ware. Be sure to call, when in Albany,  
at the Golden Rule Bazaar, 24 you will  
be sure to find what you want, and will  
be shown over the store and be treated  
kindly by my clerk, Mr. Miller. My  
goods are all marked in plain figures so  
as not to deceive anyone, and I have but

our people in the hope that they may attain  
this goal. And yet it may be had by all.

**The story is told of a German, who took**  
the antidote of his clock to the maker to have  
fixed, because they did not keep proper time.  
Of course, the clock-maker demanded the  
work, as in them lay the trouble. Both and  
blotches, pimples and other eruptions on the  
exterior tell of a disordered condition of  
the blood within. If you have these indica-  
tions, be wise in time, and take Dr. Pierce's Golden  
Medical Discovery. It puts the liver and  
kidneys in good working order, purifies  
the blood, cleanses the system from all impuri-  
ties, from whatever cause arising, and tones  
up the functions generally.

**"Golden Medical Discovery"** checks the  
overflow of blood, and if taken  
in time, arrests the march of Consumption of  
the Lungs (which is Lung-Scrophulous), purifies

ings, Rheumatism, Erysipelas, Boils, Carbuncles,  
Sore Eyes, Gout, or Thick Neck, and En-  
larged Glands.

blood and nerve remedy, sold by druggists,

all that it is claimed to accomplish, or money  
paid for it will be promptly refunded.

**TELEGRAPHIC NEWS.**

**Washington, Jan. 21.**—It ought to be  
apparent now that the elections bill is  
liable to fail. The republicans, under the  
leadership of Hoar and Aldrich, have  
been outgeneraled and outmaneuvered by  
the shrewd and crafty Gorman. The  
Maryland democrat has not made a  
single false step in his opposition to the  
bill, and all the experienced senators on  
the republican side have been unable to  
cope with him. The sooner the republic-  
licans come to the conclusion that the  
country is not behind the election bill and  
the sooner it is dropped the better.

**A Valuable character.**  
SEATTLE, Jan. 21.—For defamation of  
character, Minnie O. Brown brought suit  
in the superior court yesterday against  
Kassell Gottstein and Meyer Gottstein for  
\$30,000 damages. She claims that they  
stated that she formerly kept a lodging  
house on Pike street, and that it was a  
house of ill-fame. She says that the state-  
ment was scandalous and injured her  
good name and character \$30,000 worth.

**A Squire Bent.**  
OLYMPIA, Wash., Jan. 21.—The suit has  
set upon Judge Clark's senatorial aspirations.  
Senator Watson C. Squire was elected to-  
day on the joint ballot. He received 58 votes,  
Judge Clark 30, Thomas Carroll 21 and  
Acting Governor Loughton 1.

**A Farmer Falls.**  
PENDLETON, Jan. 21.—J. M. Egin, of Una-  
stilla county, a most extensive farmer, against  
whom suits were brought by creditors several  
weeks ago, has made an assignment to M. J.  
Weeks for the protection of those to whom he  
is indebted. The inventory of the real prop-  
erty shows its value to be about \$26,000.  
The value of the personal property is fixed at  
\$2520.

**A Rosburg Wedding.**  
ROSEBURG, Or, Jan. 21.—The nuptials of  
Miss Saitana Simmons, of this city, and Mr.  
Rufus Skipton, of Corvallis, were celebrated  
in the presence of about 500 guests at the  
parlors of Prof. J. B. Horner. Mr. and Mrs.  
Skipton leave on the morning train for Cor-  
vallis, their future home, followed by the best  
wishes of their many friends. The presents  
were numerous and handsome.

**Significant.**  
NASHVILLE, Jan. 21.—The Tennessee legis-  
lature adopted a joint resolution declaring that  
action on the bill to appropriate \$250,000 for  
a world's fair credit be postponed until the  
final disposition of the election bill in the
