## The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all their accompanying horrors.

**DR. HENLEY'S English Dandelion Tonic** exerts a specific influence over the liver, excites its healthy action, resolves its chronic engorgements, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.

## STRICTURE!

Permanently cured without Cutting, Burning or Dilating. A perfectly painless treatment and a guaranteed cure in every case, no matter how long standing. This treatment, for Stricture, of Dr. Buxell's, is the latest discovery known to medicine. It dissolves and completely removes the Stricture without annoying or pain to the patient.

**DISEASES OF MEN!**

Special to their Sex, and not proper to name here, including all the delicate Infirmities and Weaknesses, which they would shrink from disclosing to their family physician, permanently cured in less time than was ever known to medicine before, by Dr. Buxell's "New System of Treatment." It rejuvenates the genital organs and makes weak men strong.

When possible, it is always best to call for personal consultation and special examination. But those who cannot possibly call, should write, stating their case fully. Medicine sent by mail or express, sealed free from exposure, to all parts of the Pacific Coast.

Address,  
**Wm. A. Buxell, M. D.**

**Pronounced Hopeless, Yet Saved.**  
From a letter written by Mr. Ada E. Hard of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, cough set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." ## catarrh and Dyspepsia

Wm. E. Rockwell, No 512 West 57th Street, New York, says: "I have been a martyr to bilious headache and dyspepsia. Any indiscretion in diet, overfatigue, or cold, brings on a fit of indigestion, to be followed by a headache lasting two or three days at a time. I think I must have tried over twenty different remedies, which were recommended as certain cures by loving friends, but it was no use. At last I thought I would take a simple course of Jurgative with Brandreth's Pills. For the first week I took two pills every night, then one pill for thirty nights; in that time I gained three pounds in weight, and never had another ache or pain since." Because in one part of the body will eventually fill the whole body with disease. Every year or two some part of the system grows weak and begins to decay. Such part should be removed at once, and new matter be allowed to take its place. There's no need of cutting it out with a surgeon's scalpel. Purge away the old, diseased and worn out parts with Brandreth's Pills.

**LOOF.**—Albany Lodge No 4 holds its regular meeting Wednesday evening of each week. Visiting brothers are cordially invited to attend.

The story is told of a German, who took the hands of his clock to the maker to have them fixed, because they did not keep proper time. Of course, the clock-maker demanded the work, as in them lay the trouble. Heils and blotches, pimples and other eruptions on the exterior tell of a disordered condition of the blood within. If you have these indications, be wise in time, and take Dr. Pierce's Golden Medical Discovery. It purges the liver and kidneys in good working order, purifies the blood, cleanses the system from all impurities, from whatever cause arising, and tones up the functions generally.

Dr. J. C. West's Medical Discovery checks the irregular flow of secretions, and if taken in time, arrests the march of Consumption of the Lungs, which is Lung-scrophula, purifies and enriches the blood, thereby curing all Skin and Scalp Diseases, Ulcers, Sores, Swellings, and kindred ailments. It is powerfully tonic as well as purgative, or blood-cleansing, in its effects, hence it strengthens the system and restores vitality, thereby dispelling all those languid "drowsy feelings" experienced by the debilitated. Especially has it manifested its potency in curing Tetters, Salt-rheum, Scarcina, Erysipelas, Boils, Carbuncles, Sore Eyes, Gout, or Thick Neck, and Enlarged Glands.

"Golden Medical Discovery" is the only blood and liver remedy, sold by druggists, and guaranteed by its manufacturers, to do all that it is claimed to accomplish, or money paid for it will be promptly refunded.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Manufacturers, No. 623 Main Street, Buffalo, N. Y.

**\$500 OFFERED** by the manufacturer of Dr. Sage's Catarrh Remedy, for an incurable case of Catarrh in the Head.

## TELEGRAPHIC NEWS.

**A Man in a Trunk.**  
SEATTLE, Jan. 22.—The partially decomposed body of a man locked in a trunk was found today in the woods near Smith Cove by H. Newgard and Christ Husby, Norwegian fisherman. The trunk was concealed on the summit of a lofty clay bank, and the spot is only accessible by water. The fishermen were looking for "dead-falls," to use for firewood, when one them saw a blanket covered a clump of saplings. Several pieces of dead branches held the blanket down, and these were taken away. A small trunk was then exposed containing the remains. No clue to the deceased has been secured.

**Seattle Postmaster Resigns.**  
SEATTLE, Jan. 22.—A. M. Brookes tonight sent his resignation as postmaster of this city to president Harrison. Mr. Brookes resigns the office, which is worth about \$3500 a year, to accept the position of cashier of the Boston National Bank. Squire will probably name his successor, and there will be a big scramble for it.

**A Bold Attempt to Rob.**  
BOISE CITY, Jan. 22.—There was an attempt at train robbery at Nampa tonight on the Union Pacific branch line to Boise. Much gold bullion comes daily to the assay office at Boise by express. While the messenger stepped into the office at Nampa tonight to make a transfer, two men entered the express car and secured a bar of gold bullion. They fled on discovery, but were run down by a crowd of people and captured. They will have a hearing tomorrow. It is the first train robbery in Idaho in two years.

**Out of Employment.**  
CHICAGO, Jan. 22.—Delay in beginning work on the world's fair grounds and buildings is causing serious apprehensions here, as the city is fast overrunning with men who have drifted in here under the impression that work would be plenty. There are 15,000 or 20,000 men unemployed here now, of whom at least 5000 are recent arrivals.

**A Chinese Riot.**  
PENDLETON, Jan. 22.—A report from Milton that a general raid was instituted there last night against the Chinese. The story goes that about one hundred men went to the Chinese quarter and led the celestials out with ropes around their necks, afterwards compelling them to leave town. It is conjectured the raid is the result of hiring coolies in place of white laborers on the railroad sections. It is said the Chinamen were roughly handled and two were pretty badly hurt. The "firing party" consisted of discharged white section hands and sympathizing Milton citizens.

We wish to call the attention of the public in particular to the Golden Rule prize baking powder and tea, put up expressly for this trade, which gives the best of satisfaction, as is attested by the hundreds who have used both the tea and baking powder ever since introduced by the Golden Rule Bazaar. Each package of ten and can of baking powder draws a prize in the shape of a fine piece of glassware. Be sure to call, when in Albany, at the Golden Rule Bazaar, as you will be sure to find what you want, and will be shown over the store and be treated kindly by my clerk, Mr. Miller.
