

Daily Democrat.

A ROMANCE.—Frank Plotner, who superintended the work of clearing the Western Union's right of way in the Cow creek forests last summer, there met the girl he loved, and she met the hero she had been reading about in story books. The girl was Miss Edie, youngest daughter of Hardy Eliff, a prominent citizen of Douglas county. The stern parents (who also appear in all story books) put a regular Penoyer veto on this. An elopement ensued, and after much trouble in getting a license (for Miss Edie is under age) they finally succeeded in having the tall alcade of Siason bind their great gushing hearts together with a marriage license from the clerk of Siskiyou county, Cal. They have since been living happily at Sacramento, and soon leave for an extended tour over the eastern states.—Ashland Record.

BAD ECZEMA ON BABY

Head one Solid Sore. Itching Awful.
Had to Tie His Hands to Cradle.
Cured by Cuticura.

Our little boy broke out on his head with a bad form of eczema, when he was four months old. We tried three doctors, but they did not help him. We then used your three CUTICURA REMEDIES, and after using them eleven weeks exactly according to directions, he began to steadily improve, and after the use of them seven months his head was entirely well. When we began using it his head was a solid sore from the crown to his eyebrows. It was also all over his ears, most of his face, and small places on different parts of his body. There were sixteen weeks that we had to keep his hands tied to the cradle, and hold them when he was taken out; and had to keep him tied on his hands when he was taken out of the cradle, as he would scratch if he could in any way get his hands loose. We know your CUTICURA REMEDIES cured him. We feel safe in recommending them to others.

Geo. B. & JANETTA HARRIS, Webster, Ind.

Scrofula Cured

I have a sister younger than myself whose whole body was covered with scrofula sores, from head to foot. She could not lie down at night, and had to pace by day. A friend advised her to try the CUTICURA REMEDIES. She did so, and they cured her. DORA B. ELLIS, Glasgow, Ohio.
