THE CRY OF MILLIONS
OH, MY BACK!
STOP IT NOW, SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Henley, with the OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

Pronounced Hopeless, Yet Saved.

From a letter written by Mrs Ada E Hurd of Groton, S D, we quote: "Was taken with a bad cold, which settled on my Lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." A SCARED EDITOR.

A rugged farmer stalked into the sanctum with a big whip under his arm.

"Be you the editor?" "I am," was the half apprehensive reply.

"Here's two dollars—send me your paper, for life," he said.

"You see," he went on, "our daughter was sick and like to die; she drooped and grew weak and pale, had headaches, no appetite, back ached, hands and feet like ice, couldn't sleep, hacked with cough, and we thought she had consumption. No medicine helped her until she tried that Dr. Pierce's Favorite Prescription mentioned in your paper, when she began to mend in no time and is now well and handsome as a rose—put me down as a life subscriber."

Now the editor is looking for another scare. The medicine has cured thousands afflicted as was the farmer's daughter, restoring the female functions to healthy action, and removing the obstructions and suppressions which caused her trouble. It is guaranteed to give satisfaction in every case, or price ($1.00) refunded. It's a legitimate *medicine*, not a beverage. Contains no alcohol to inebriate; no syrup or sugar to sour or ferment in the stomach and derange digestion.

OUR GOVERNOR.

Our governor attracts attention in all directions. An Albina correspondent of the *Union Pacific Employe's Magazine* published at Denver Colorado, by the Knights of Labor says:

Our governor's message is a corker and has the proper ring from start to finish. I wish it was possible for every voter in the land to read it. Oregonians should feel proud of their executive, a man of dauntless courage and bravery who deserves not the taunts or ridicule of any man or set of men:

His clarion notes rang loud and clear
O'er hills and valleys far and near,
And despots quake lest their yokes
Be shattered by his powerful strokes.
And the fair Columbia flowing down
Sings praises to him, through her Sound.
Each Oregonian, all and one,
Bids his noble work go on;
And the Eagle proud that protects our host
Bids more like him welcome to the coast,
And when '92 comes around to hand
Put him at Washington in full command.

The *Statesman* calls the threat of certain states to make no appropriations for the World's Fair in case the Force bill passed "asinine stupidity." But this bears no comparison to the stupid asininity shown by such old Bourbons as Hoar, Edmunds and Reed in attempting to force the Force bill through the senate.

We wish to call the attention of the public in particular to the Golden Rule prize baking powder and tea, put up expressly for this trade, which gives the best of satisfaction, as is attested by the hundreds who have used both the tea and baking powder ever since introduced by the Golden Rule Bazaar. Each package of tea and can of backing powder draws a prize in the shape of a fine piece of glassware. Be sure to call, when in Albany, at the Golden Rule Bazaar, as you will be sure to find what you want, and will be shown over the store and be treated kindly by my clerk, Mr. Miller. TELEGRAPHIC NEWS.

A Pendleton Affair.

PENDLETON, Feb 12.—There have been new and interesting developments in the assignment of the Pendleton Hardware and Implement Company. Manager Greene, who was arrested on a charge of embezzlement, preferred by President Benjamin Selling, has turned the tables and had Selling arrested on two charges, one with perjury, in swearing to complaint against Greene, and the other in attempting to bribe witness in a case recently on trial here before the circuit court. Mr Selling was placed under $1000 bonds on each charge, which he easily furnished. His trial is set for Monday. Ramsdale, the young man who was hired to make an investigation of the company's books, who was afterwards paid, as he claims, to make a false balance, and then gave information leading to the arrest of Greene was, of course, greatly needed as a witness. He was placed in custody yesterday under bonds of $1000.

Choice for President.

SALEM, Feb 12.—The Oregon legislature is composed of ninety members. Twenty-six are democrats. Of them twenty-one favor Cleveland, and one Hill, while four say they want a new man. This is the poll if the decision must be between Cleveland and Hill. Only five strictly favor Cleveland, though twenty one prefer him to Hill. The one man for Hill comes from one of the strong democratic precincts, while his four collegues favor Cleveland. Carlisle and Gorman have each one admirer for vice-president. Leading democrats outside the legislature claim that Oregon will send delegates instructed for Pennoyer for president to the national convention.

Will Come to the Coast.

WASHINGTON, Feb 12.—The president and most of his cabinet will visit the Pacific coast soon after the adjournment of congress, and have arranged for a trip to include a tour of the southern states. Probably the party will start from Washington early in April.

Cleveland's Letter.

WASHINGTON, Feb. 12.—The letter of Grover Cleveland published this morning, has made him the next president, or has prevented any other democrat from being president, just as it has also accomplished another thing, and that is, prevented the passage of the free coinage bill by the house of representatives at this session. Eastern democrats who favored it, do not want it now, and this much talked of measure is probably dead. Nothing has caused so much excitement in political circles for years, as this celebrated letter.

Change of Venue Refused.

SALEM, Feb. 12.—In the circuit court today, in the matter of P B Beckley vs. the Southern Pacific Company, for damages sustained in the Lake Labish wreck, Judge Boise refused a change of venue, and the case comes on for trial in the morning.

Jack the Ripper Again.

LONDON, Feb. 12.—The boby of a young woman has been found this morning, gashed in a most horrible manner, suggesting the work of "Jack the Ripper."

NOTICE TO FARMERS.—Wanted at once chickens, ducks, geese, turkeys, dried fruits, butter, eggs, and all kinds of farm produce, for which I will pay the highest price in cash or in exchange for goods.

Eruption of the Skin Cured.

Ed. Venney, Brockville, Ontario, says: "I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills: I took six each night for four nights, then five, four, three, two, lessening each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

A sure cure for the whisky habit: Dr Livingston's Antidote for drunkenness will cure any case of the liquor habit in from ten to thirty days, from the moderate drinker to the drunkard. The Antidote can be given in a cup of coffee without the knowledge of the person taking it. The Antidote will not injure the health in any way. Manufactured by the Livingston Chemical Co., Portland, Oregon or from J A Cumming, sole agent, Albany.

Just arrived a full line of ladies, childrens, men's and boy's foot wear at G W Simpson's, which will be sold at bottom prices.

SHILOH'S CURE will immediately relieve Croup, Whooping Cough and Bronchitis. Foshay & Mason, agents.

Disorders that affect the Kidneys.

Are among the most formidable known. Diabetes, Bright's disease, gravel and other complaints of the urinary organs are not ordinarily cured in severe cases, but they may be averted by timely meditation. A useful stimulant of the urinary glands has ever been found in Hostetter's Stomach Bitters, a medicine which not only affords the requisite stimulus when they become inactive, but increases their vigor and secretive power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of these organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorator of the stomach, and a matchless remedy for biliousness and fever and ague. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.
