

Daily Democrat.

Senator Faulkner, of West Virginia, says that his twelve hours speech against the Force bill was a mere bagatelle, which did not exhaust him a bit. The only way to account for this is to remember that he has gone through still more terrible strains. He has been umpire at a base ball game and once acted as judge at a baby show.

RAISEWORTHY ENTERPRISE.— terprising photographers, Crawford & Paxton, have ordered some new scenic grounds and other accessories from N. Y. of the world famous scenic painter, Lafayette Leavy, who will also paint them an Oregon scene representing some of Oregon's choicest views for use in their photo mounts. The above will be received very soon when the public will be able to get something ahead of anything ever brought to this state.

BAD ECZEMA ON BABY
Head one Solid Sore. Itching Awful.
Had to Tie His Hands to Cradle.
Cured by Cuticura.

Our little boy broke out on his head with a bad form of eczema, when he was four months old. We tried three doctors, but they did not help him. We then used your three CUTICURA Remedies, and after using them eleven weeks exactly according to directions, he began to steadily improve, and after the use of them for seven months his head was entirely well. When we began using it his head was a solid sore from the crown to his eyebrows. It was also all over his ears, most of his face, and small places on different parts of his body. There were sixteen weeks that we had to keep his hands tied to the cradle, and hold them when he was taken up; and had to keep mittens tied on his hands to keep his fingers from out of the sores, as he would scratch it in any way he could get his hands loose. We know your CUTICURA Remedies cured him. We feel safe in recommending them to others.
GEO. B. & JASSETTA HARRIS, Webster, Ind.
